INTRODUCTION

USA Racquetball and the U.S. Center for SafeSport are committed to building a sport community where Participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct. Throughout this document the most commonly used terms are defined in the Terminology section in the back of this document.

Authority

The Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017 authorizes the Center to develop training and policies to prevent abuse—including physical, emotional, and sexual abuse—within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(1). Federal law requires that, at a minimum, national governing bodies and paralympic sports organizations *must offer and give consistent training related to the prevention of child abuse: (1) to all adult members who are in regular contact with amateur athletes who are minors and (2) subject to parental consent, to members who are minors.* 36 U.S.C. § 220542(a)(3). Federal law requires that these policies contain reasonable procedures to limit unobservable and uninterruptible one-on-one interactions between an amateur athlete, who is a minor, and an adult, who is not the minor’s legal guardian, at facilities under the jurisdiction of organizations within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(2). To that end, the Center has developed the Minor Athlete Abuse Prevention Policies (MAAPP).

What is the MAAPP?

The MAAPP is a collection of proactive prevention and training policies for the U.S. Olympic & Paralympic Movement. It has four primary components:

1. Organizational Requirements for Education & Training and Prevention Policies;
2. An Education & Training Policy that requires training for certain Adult Participants within the Olympic & Paralympic Movement;
3. Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes, the Organizations within the Olympic & Paralympic Movement must implement to prevent abuse;
4. Recommended Prevention Policies.

The Center developed the MAAPP to assist National Governing Bodies (NGBs), Local Affiliated Organizations (LAOs) a.k.a. State Associations, the U.S. Olympic & Paralympic Committee (USOPC), and other individuals to whom these policies apply in meeting their obligations under federal law (*note*: implementing these policies does not guarantee that an organization or individual fully complies with federal law or all applicable legal obligations). These Organizations should share these policies with all Participants and with parents/guardians of minor athletes. Those implementing these policies should consider the physical and cognitive needs of all athletes.

The MAAPP focuses on just two important aspects of a much larger comprehensive abuse prevention strategy. These policies address training requirements and limiting one-on-one interactions between adults and minor athletes. These policies are intended to be enforceable and reasonable, acknowledging, for example, that when a 17-year-old athlete turns 18, they become an adult athlete, and a complete prohibition of one-on-one interactions may not be necessary or practical. Additionally, there may be other instances when one-on-one interactions could occur, and in those cases, these policies provide strategies so parents/guardians can provide informed consent if they choose to allow a permitted interaction. **The Center recommends that parents first complete training on abuse prevention to be informed about potential boundary violations and concerns before consenting to the interaction.**

While the MAAPP will help organizations implement these policies to greatly improve minor athlete safety, in no way can they guarantee athlete safety in all circumstances, especially when the policies are not fully implemented, followed, or monitored. These policies are not comprehensive of all prevention strategies, nor are they intended to be. These policies should be implemented alongside the [SafeSport Code](#). Additionally, other resources are available that may assist organizations in improving athlete safety¹.

How Does the Center Ensure Compliance with the MAAPP?

Federal law requires the Center to conduct regular and random audits of the NGBs to ensure compliance with these policies. 36 U.S.C. § 220542(a)(2)(E). More specific organizational compliance requirements can be found in Part I. Additionally, it is the responsibility of the USOPC and each NGB, LAO, and Adult Participant to comply with the MAAPP. The aforementioned Organizations can act in their respective programs for violations of the MAAPP by Adult Participants. Adult Participants also have an independent responsibility to comply with these MAAPP provisions. Violations of these provisions can result in sanctions under the SafeSport Code.

Is the MAAPP Different from the SafeSport Code?

Yes. The [SafeSport Code](#) works alongside the MAAPP to prevent abuse. The MAAPP includes proactive prevention policies for organizations and individuals, while the SafeSport Code contains misconduct policies for individuals. However, violations of the MAAPP can violate the SafeSport Code, and violators can be sanctioned.

SCOPE

The MAAPP Applies to “In-Program Contact” Within the Olympic & Paralympic Movement

The MAAPP is required for the U.S. Olympic & Paralympic Committee (USOPC), National Governing Bodies (NGB), Local Affiliated Organizations (LAO), within the Olympic & Paralympic Movement (each an “Organization”).

Some policies impose requirements on USA Racquetball and State Associations. For example, USA Racquetball or State Associations must monitor locker rooms at facilities they use during sanctioned events. Other policies impose certain requirements on Adult Participants under the USA Racquetball jurisdiction when the Adult Participant is having “In-Program Contact.” For example, Adult Participants cannot have one-on-one meetings with Minor Athletes unless it is observable and interruptible.

Who is a Minor Athlete?

A **Minor Athlete** is an amateur athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of, USA Racquetball and State Associations.²

Partial or Full Jurisdiction: Includes any sanctioned event (including all travel and lodging in connection with the event) by the USA Racquetball and State Associations, or any facility that USA Racquetball or State Associations owns, leases, or rents for practice, training, or competition.

Who is an Adult Participant?

An **Adult Participant** is any adult (18 years of age or older) who is:

1. A member or license holder of USA Racquetball
2. An employee or board member of USA Racquetball or LAO/State Association
3. Within the governance or disciplinary jurisdiction of USA Racquetball or LAO/State Association
4. Authorized, approved, or appointed by USA Racquetball or LAO/State Association to have regular contact with or authority over minor athletes.³

What is In-Program Contact?

In-Program Contact includes sanctioned events and facilities, but it also applies more broadly to sport-related interactions. **The MAAPP defines “In-Program Contact” as:**

Any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete(s) related to participation in sport.

Examples of activities related to participation in sport that could be identified as in-program contact include, but are not limited to: competition, practices, camps/clinics, training/instructional

² This term shall also include any minor who participates in, or participated within the previous 12 months in, a non-athlete role partially or fully under the jurisdiction of an NGB, USOPC, or LAO. Examples include, but are not limited to: officials, coaches, or volunteers.

³ This may include volunteers, medical staff, trainers, chaperones, monitors, contract personnel, bus/van drivers, officials, adult athletes, staff, board members, and any other individual who meets the Adult Participant definition.

sessions, pre/post game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

Am I required to take SafeSport Training?

Certain Adult Participants within the Olympic & Paralympic Movement who have (i) regular contact with amateur athletes who are minors, (ii) authority over amateur athletes who are minors, or (iii) are employees or board members of the USA Racquetball, or its LAOs, are required to take training. The specific training requirements can be found in Part II.

PART I

ORGANIZATIONAL REQUIREMENTS FOR EDUCATION & TRAINING AND PREVENTION POLICIES

All NGBs, LAOs, and the USOPC (the “Organization”) must implement proactive policies designed to prevent abuse. These organizational requirements are described below.

A. Organizational Requirements for Education & Training

1. USA Racquetball must track whether Adult Participants under its jurisdiction complete the required training listed in Part II.
2. USA Racquetball must, every 12 months, offer and, subject to parental consent, give training to minor athletes on the prevention and reporting of child abuse.
 - a. For training to minor athletes, USA Racquetball must track a description of the training and how the training was offered and provided to Minor Athletes.
 - b. USA Racquetball is not required to track individual course completions of Minor Athletes.
3. USA Racquetball must, every 12 months, offer training to parents on the prevention and reporting of child abuse.
 - a. For training to parents, USA Racquetball must track a description of the training and how the training was offered and provided to parents.
 - b. USA Racquetball is not required to track individual course completions of parents.

B. Required Prevention Policies and Implementation

1. USA Racquetball must develop minor athlete abuse prevention policies to limit one-on-one interactions between a athlete who is a minor and an Adult Participant. These policies must contain the mandatory components of the Center’s model policies in Part III. These model policies cover:
 - a. Meetings
 - b. Individual training sessions
 - c. Therapeutic and Recovery Modalities and Manual Therapy
 - d. Locker rooms and changing areas
 - e. Electronic communications
 - f. Transportation
 - g. Lodging and Residential Environments

2. The policies must be approved by the Center as described in subsection (C) below. The policies may include the recommended components in Part III and the recommended policies in Part IV. Given the uniqueness of each sport, however, some recommended components or policies may not be feasible or appropriate. Such concerns should be addressed with the Center during the Policy Approval and Submission Process discussed below. USA Racquetball may choose to implement stricter standards than the model policies.
3. USA Racquetball must also require that its LAOs implement these policies within each LAO/ State Association.
4. USA Racquetball and its State Associations must implement these policies for all In-Program Contact.
 - a. At sanctioned events the organization must take steps to ensure the policies are implemented and followed.
 - b. For In-Program Contact that occurs outside a USA Racquetball or State Association - sanctioned event , implementing these policies means:
 - i. Communicating the policies to individuals under its jurisdiction;
 - ii. Establishing a reporting mechanism for violations of the policies;
 - iii. Investigating and enforcing violations of the policies.
5. USA Racquetball and its State Associations must have a reporting mechanism to accept reports that an Adult Participant is violating the MAAPP. USA Racquetball must appropriately investigate and resolve any reports received, unless the violation is reported to the Center and it exercises jurisdiction over the report. This requirement is in addition to requirements to report abuse under the SafeSport Code.

C. Policy Approval and Submission Process

1. USA Racquetball may adopt the MAAPP as-is or adapt it to fit their needs. Regardless, each Organization must submit their policies to the Center at compliance@safesport.org for review and approval by April 1, 2024. The Center will approve, approve with modifications, or deny the policies. If the Center denies the proposed policy, the mandatory components of Part III become the default policy until the Center approves the policy.
2. USA Racquetball must require their LAOs to incorporate the mandatory components of Part III. NGBs may require that their LAOs implement the NGB's policies, which may be more stringent than the policies in Part III.

3. The mandatory components of Part III will serve as the default policy for any Organization that fails to develop its own policy as required by this section.

Any changes made to an NGB or USOPC MAAPP after the policy is approved must be submitted to the Center for approval. The previously approved MAAPP will remain in effect until written approval is provided to the NGB or USOPC from the Center.

PART II EDUCATION & TRAINING POLICY

A. Mandatory Child Abuse Prevention Training for Adult Participants

1. Adult Participants Required to Complete Training

- a. The following Adult Participants must complete the *SafeSport Trained Core* either through the Center's online training:
 - i. Adult Participants who have regular contact with any amateur athlete(s) who is a minor;
 - ii. Adult Participants who have authority over any amateur athlete(s) who is a minor;
 - iii. Adult Participants who are an employee, national/state board member, tournament director, certified referee or coach of USA Racquetball or its State Associations.
- b. Adult Participants who are medical providers required to take training under Section (a) can take the Health Professionals Course in lieu of the *SafeSport Trained Core*.

2. Timing of Training

Adult Participants must complete this training:

- a. Before regular contact with an amateur athlete who is a minor begins; **and**
- b. Within the first 30 days of either initial membership based upon self-identification or upon beginning a new role subjecting the adult to this policy, whichever comes first.

3. Refresher Training

The above listed Adult Participants must complete a refresher course every 12 months, after completing the *SafeSport Trained Core*. Every four years, Adult Participants will complete the *SafeSport Trained Core* training. Medical providers can take the Health Professionals Course in lieu of the *SafeSport Trained Core* and are required to take the refresher courses on an annual basis if they meet the criteria for A(1).

B. Minor Athlete Training Must Be Offered

1. USA Racquetball, every 12 months, must offer and, subject to parental consent, give training to Minor Athletes on the prevention and reporting of child abuse.
2. The Center offers youth courses, located at safesporttrained.org, that meet this requirement.

C. Parent Training Must Be Offered

1. USA Racquetball, every 12 months, must offer training to parents on the prevention and reporting of child abuse.
2. The Center offers a parent course, located at safesporttrained.org, that meets this requirement.

D. Optional Training

1. Adult Participants serving in a volunteer capacity, who will not have regular contact with or authority over Minor Athletes, should take the Center's brief Volunteer Course (or *SafeSport Trained Core*) before engaging or interacting with any Minor Athlete(s).
2. USA Racquetball or its State Associations may provide training *in addition to* the *SafeSport Trained Core*, although they cannot refer to this training as "SafeSport" training. **Training other than the *SafeSport Trained Core* or Refresher does not satisfy this policy.**
3. Parents of Minor Athletes are provided free online access to the Center's parent course and are encouraged to take the training.

E. Exemptions and Accommodations

The Center's online training courses contain information about various forms of abuse. The courses do not include graphic descriptions of abuse or show violent images or video. The content may be uncomfortable or trigger trauma for some participants.

1. Exemptions to the online training requirement may be requested by survivors of abuse and misconduct. Survivors of abuse can request an exemption by contacting USA Racquetball or can choose to contact the Center directly to request an exemption at exemptions@safesport.org. All exemptions granted by the Center or USA Racquetball in this category are considered indefinite and do not need to be re-requested every year.
2. Exemptions to the online training requirement for reasons other than survivor of abuse and misconduct are limited to cognitive or physical disability or language barrier. Requests for these exemptions must be made by the individual to USA Racquetball, which will determine whether to grant the exemption. If an exemption is granted, USA Racquetball must track the exemption to ensure it is appropriately applied to the individual's membership status. USA Racquetball must preserve documentation that the exemption was granted and for what duration.

3. The Center has several options available to assist individuals in completing the online training courses, including screen reader-compatible versions and course availability in several languages, including English, Spanish, French, Mandarin, Russian, German, and Japanese. If none of the available options will fit the individual's needs, USA Racquetball may determine whether to grant an exemption.

F. Adult Participants who have Regular Contact with Minor Athletes

These individuals include, but are not limited to: USA Racquetball staff, contractors, state association board members, national board members, coaches, certified referees, any adult athlete that plays a total of four or more interactions (including but not limited to matches, practice and out of competition interactions) with any minor athlete(s).

G. Other Adult Participants

Everyone who plays USA Racquetball or State Association sanctioned events are subject to the Required Prevention Policies. This includes, in addition to those covered in Section F, above, volunteers, adult athletes who don't regularly interact with minors, volunteers and any one else involved in a sanctioned event.

PART III

REQUIRED POLICIES FOR ONE-ON-ONE INTERACTIONS

The U.S. Center for SafeSport recognizes that youth-adult relationships can be healthy and valuable for development. Policies on one-on-one interactions protect children while allowing for these beneficial relationships. As child sexual abuse is often perpetrated in isolated, one-on-one situations, it is critical that organizations limit such interactions between youth and adults and implement programs that reduce the risk of sexual abuse.

All one-on-one In-Program Contact between an Adult Participant and a Minor Athlete must be *observable and interruptible*, except in emergency circumstances or with a documented exception.

EXCEPTIONS

There are certain relationships and situations in which one-on-one interactions may be allowed or necessary. This section identifies policy exceptions for close-in-age relationships, Personal Care Assistants, dual relationships, and emergencies.

The following exceptions are applicable within all Required Prevention Policies unless otherwise noted.

A. Mandatory Components

1. A Close-in-Age Exception

The purpose of this exception is to allow for continued relationships among athletes on the same team.

This exception allows for one-on-one In-Program Contact between an Adult Participant and a Minor Athlete if:

- a. The Adult Participant has **no** authority over the Minor Athlete; and
- b. The Adult Participant is not more than 4 years older (determined by birth date) than the Minor Athlete.

Note: This exception is different than the close-in-age exception in the [SafeSport Code](#) pertaining to misconduct.

2. Exceptions for Adult Participant Personal Care Assistants Working with a Minor Athlete

This exception exists for Adult Participants who also assist an athlete with activities of daily living and preparation for athletic participation.

This exception allows for one-on-one In-Program Contact between an Adult Participant and a Minor Athlete if the following requirements are met:

- (i) the Minor Athlete’s parent/guardian has provided written consent to USA Racquetball and the relevant State Association for the Adult Participant Personal Care Assistant to work with the Minor Athlete; and
- (ii) the Adult Participant Personal Care Assistant has complied with the Education & Training Policy; and
- (iii) the Adult Participant Personal Care Assistant has complied with USA Racquetball’s screening policy (taken SS training and completed a background check).

3. Exceptions for Dual Relationships

This exception allows for one-on-one In-Program Contact when the Adult Participant has a relationship with a Minor Athlete that is outside of the sport program. The exception requires written consent of the Minor Athlete’s parent/guardian at least annually. The consent must identify for which Required Prevention Policies the parent/guardian is allowing the one-on-one In-Program Contact.

4. Emergency Exception

This exception applies to all Required Prevention Policies for situations where an Adult Participant must violate requirement(s) of the MAAPP due to an emergency. Adult Participants must carefully consider whether specific circumstances meet the threshold of “emergency.” Adult Participants should document emergency situations in accordance with USA Racquetball’s protocols. If there is an emergency, the tournament director or other person(s) assisting (EMTs, etc), should fill out USA Racquetball’s Incident Form and email it with a brief summary of the emergency to USA Racquetball at jonathan@usaracquetball.com.

The Center recommends parents take training on child abuse prevention before providing consent to the above exceptions. The Center offers a free Parent Course at safesporttrained.org.

MEETINGS

Sexual abuse often happens when children are alone with their abusers. This section provides policies for meetings to limit one-on-one interactions between children and adults, including mental health care professionals and licensed health care providers.

A. Mandatory Components

1. Observable and Interruptible

Adult Participant must ensure all In-Program meetings with Minor Athletes be observable and interruptible, unless an exception exists.

2. Meetings with licensed mental health care professionals and health care providers (other than athletic trainers⁴)

If a licensed mental health care professional or licensed health care provider meets one-on-one with a Minor Athlete at a sanctioned event or a facility, which is partially or fully under USA Racquetball's or its State Associations' jurisdiction the meeting must be observable and interruptible except:

- a. If the door remains unlocked; and
- b. Another adult is present at the facility and notified that a meeting is occurring, although the Minor Athlete's identity needs not be disclosed; and
- c. USA Racquetball and its State Associations is notified that the provider will be meeting with a Minor Athlete; and
- d. The provider obtains consent consistent with applicable laws and ethical standards, which can be withdrawn at any time.

B. Recommended Components

1. Parent Training

Parents/guardians receive the U.S. Center for SafeSport's education and training on child abuse prevention before providing consent for their Minor Athlete to have a meeting or training session with an Adult Participant subject to these policies.

⁴ Athletic trainers who are covered under these policies must follow the "Manual Therapy and Therapeutic and recovery modalities" policy.

INDIVIDUAL TRAINING SESSIONS

Some abusers will single out athletes for special one-on-one instruction. This kind of isolation provides opportunities for abuse to occur. This section establishes rules for individual training sessions to protect youth athletes from uncomfortable or unsafe situations.

A. Mandatory Components

a. Observable and Interruptible

Adult Participants must ensure all In-Program individual training sessions with a Minor Athlete be observable and interruptible unless an exception exists.

b. Consent

The Adult Participant providing the individual training session must receive advance, written consent from the Minor Athlete's parent/guardian at least annually, which can be withdrawn at any time; and

c. Parent Observation

Parents/guardians must be allowed to observe the individual training session.

B. Recommended Components

2. Monitoring

If a permitted meeting or training session takes place between an Adult Participant(s) and a Minor Athlete(s) at a facility partially or fully under USA Racquetball's or its State Associations' jurisdiction, another Adult Participant will monitor each meeting or training session. Monitoring includes reviewing the parent/guardian consent form, knowing that the meeting or training session is occurring, knowing the approximate planned duration of the meeting or training session, and dropping in on the meeting or training session.

3. Parent Training

Parents/guardians receive the U.S. Center for SafeSport's education and training on child abuse prevention before providing consent for their Minor Athlete to have a meeting or training session with an Adult Participant subject to these policies.

MANUAL THERAPY AND THERAPEUTIC AND RECOVERY MODALITIES⁵

Many athletes require therapies to prevent or treat injuries. However, these treatment sessions can place children in vulnerable positions, especially if they involve physical contact with adults. This section establishes standards for therapeutic and recovery modalities and manual therapy to reduce the risk of inappropriate contact between youth and adults.

A. Mandatory Components

Note: Only the emergency exception applies within this policy.

1. Observable and Interruptible

Adult Participants must ensure that all In-Program Contact during manual therapy and therapeutic modalities and recovery modalities with Minor Athletes must be observable and interruptible.

2. Manual Therapy and Therapeutic and Recovery Modalities Requirements

Adult Participants must ensure all In-Program manual therapy and therapeutic and recovery modalities meet the following requirements:

- a. Have another Adult Participant physically present for the modality or manual therapy; and
- b. Have documented consent as explained in subsection (4) below; and
- c. Be performed with the Minor Athlete fully or partially clothed, ensuring that the breasts, buttocks, groin, or genitals are always covered; and
- d. Allow parents/guardians in the room as an observer, except for competition or training venues that limit credentialing; and
- e. The provider must narrate the steps in the modality before taking them, seeking assent of the Minor Athlete throughout the process

3. Consent

- a. Providers of manual therapy or therapeutic or recovery modalities, or USA Racquetball or its State Associations, when applicable, must obtain consent at least annually from Minor Athletes' parents/guardians before providing any athletic training modalities, massages, or rubdowns.

⁵ Manual therapy and therapeutic and recovery modalities can be different for each sport. They can include, but are not limited to: first aid, massage, taping, cupping, stretching, cryotherapy, neuromuscular stimulations, electrical stimulation, or other modalities within the scope of a Healthcare Provider's credentials.

- b. Minor Athletes or their parents/guardians can withdraw consent at any time.

B. Recommended components

1. Parent Training

Parents/guardians receive the U.S. Center for SafeSport education and training on child abuse prevention before providing consent for their Minor Athlete to receive a manual therapy, therapeutic modality, or recovery modality.

2. When possible, techniques should be used to reduce physical touch of Minor Athletes.
3. Only licensed providers should administer a massage, rubdown, or athletic training modality.
4. Coaches, regardless of whether they are licensed massage therapists, should not massage Minor Athletes.

LOCKER ROOMS AND CHANGING AREAS

Young athletes may be especially vulnerable to abuse in changing areas where they are undressing and possibly showering. Appropriate monitoring is necessary in these areas to prevent abuse and other inappropriate conduct. This section outlines policies for locker rooms and changing areas to ensure privacy and safety.

A. Mandatory Components

1. Observable and Interruptible

Adult Participants must ensure that all In-Program Contact with Minor Athlete(s) in a locker room, changing area, or similar space where Minor Athlete(s) are present is observable and interruptible, unless an exception exists

2. Conduct in Locker Rooms, Changing Areas, and Similar Spaces

- a. No Adult Participant or Minor Athlete can use the photographic or recording capabilities of any device in locker rooms, changing areas, or any other area designated as a place for changing clothes or undressing.

- b. Adult Participants must not remove their clothes or behave in a manner that intentionally or recklessly exposes their breasts, buttocks, groins, or genitals to a Minor Athlete.
- c. Adult Participants must not shower with Minor Athletes unless:
 - i. The Adult Participant meets the Close-in-Age Exception; or
 - ii. The shower is part of a pre- or post-activity rinse while wearing swimwear.
- d. Parents/guardians may request in writing that their Minor Athlete(s) not change or shower with Adult Participant(s) during In-Program Contact. USA Racquetball and its State Associations and the Adult Participant(s) must abide by this request.

3. Media and Championship Celebrations in Locker Rooms

USA Racquetball and its State Associations may permit recording or photography in locker rooms for the purpose of highlighting a sport or athletic accomplishment if:

- i. Parent/legal guardian consent has been obtained; and
- ii. USA Racquetball or its State Associations approve the specific instance of recording or photography; and
- iii. Two or more Adult Participants are present; and
- iv. Everyone is fully clothed.

4. Personal Care Assistants

Adult Participant Personal Care Assistants are permitted to be with and assist Minor Athlete(s) in locker rooms, changing areas, and similar spaces where other Minor Athletes are present, if they meet the requirements detailed in exception section at the beginning of Part III.

5. Availability and Monitoring of Locker Rooms, Changing Areas, and Similar Spaces

- a. USA Racquetball and its State Associations must provide a private or semi-private place for Minor Athletes that need to change clothes or undress at sanctioned events or facilities partially or fully under USA Racquetball's and its State Associations' jurisdiction.
- b. USA Racquetball and its State Associations must monitor the use of locker rooms, changing areas, and similar spaces to ensure compliance with these policies at sanctioned events or facilities partially or fully under USA Racquetball's or its State Associations jurisdiction.

ELECTRONIC COMMUNICATIONS⁶

Technology has made it easier for teams to communicate and share information. Unfortunately, it also makes it easier for abusers to contact children without supervision or share inappropriate images and video. This section sets standards for appropriate electronic communications between youth and adults.

A. Mandatory Components

1. Open and Transparent

- a. All one-on-one electronic communications between an Adult Participant and a Minor Athlete must be Open and Transparent, unless an exception exists:
- b. Open and Transparent means that the Adult Participant copies or includes the Minor Athlete's parent/guardian, another adult family member of the Minor Athlete, or another Adult Participant on every communication.
 - If a Minor Athlete communicates with the Adult Participant first, the Adult Participant must follow this policy if the Adult Participant responds.
- c. Only platforms that allow for Open and Transparent communication may be used to communicate with Minor Athletes.

2. Team Communication

When an Adult Participant communicates electronically to the entire team or any number of Minor Athletes on the team, the Adult Participant must copy or include another Adult Participant, the Minor Athletes' parents/guardians, or another adult family member of the Minor Athletes.

3. Content

All electronic communication originating from an Adult Participant(s) to a Minor Athlete(s) must be professional in nature unless an exception exists.

4. Requests to discontinue

Parents/guardians may request in writing that USA Racquetball or its State Associations or an Adult Participant subject to this policy not contact their Minor Athlete through any form of electronic communication. USA Racquetball and its State Associations and the Adult Participant must abide by any request to discontinue, absent emergency circumstances.

⁶ Electronic communications include, but are not limited to: phone calls, videoconferencing, video coaching, texting, and social media, or through any other electronic medium.

B. Recommended components

1. Hours

Electronic communications should generally be sent only between the hours of 8:00 a.m. and 8:00 p.m. local time for the location of the Minor Athlete.

2. Social Media Connections

Adult Participants, except those with a Dual Relationship or who meet the Close-in-Age Exception, are not permitted to maintain private social media connections with Minor Athletes and should discontinue existing social media connections with Minor Athletes.

TRANSPORTATION

Athletes are often carpooling or traveling without the supervision of their parent/guardian to practices and competitions. This can place them in vulnerable positions where they are susceptible to abuse. This section establishes policies for adults transporting children to or from sport activities.

A. Mandatory Components

1. Observable and Interruptible

Adult participants must ensure that all In-Program Contact during Transportation is Observable and Interruptible unless an exception exists or:

- a. The Adult Participant has advanced, written consent to transport the Minor Athlete one-on-one, obtained at least annually from the Minor Athlete's parent/guardian. Minor Athlete(s) or their parent/guardian can withdraw consent at any time.
- b. The Adult Participant is accompanied by another Adult Participant or at least two minors who are at least 8 years of age.

2. Additional Requirements for Transportation Authorized or Funded by USA Racquetball or its State Associations

- a. Written consent from a Minor Athlete's parent/guardian is required for all transportation authorized or funded by USA Racquetball or its State Associations at least annually.
- b. Minor Athlete(s) or their parent/guardian can withdraw consent at any time.

B. Recommended Components

1. Shared or Carpool Travel Arrangement

USA Racquetball and its State Associations encourage parents/guardians to pick up their Minor Athlete first and drop off their Minor Athlete last in any shared or carpool travel arrangement.

2. Parent Training

Parents/guardians receive the U.S. Center for SafeSport education and training on child abuse prevention before providing consent for their Minor Athlete to travel one-on-one with an Adult Participant.

LODGING AND RESIDENTIAL ENVIRONMENT

Youth athletes traveling overnight face greater risk of sexual abuse if they are traveling without their parent/guardian. Abusers can take advantage of the situation by trying to have unsupervised time alone with children. This section sets rules for sleeping arrangements and room monitoring to protect athletes during overnight travel.

A. Mandatory Components

1. Observable and Interruptible

All In-Program Contact during lodging must be observable and interruptible unless an exception exists.

a. Lodging arrangements covered under this policy include, but are not limited to, hotel stays, rentals (i.e., Airbnb, VRBO, HomeToGo, etc.), and long-term residential environments, including lodging at training sites and billeting.

2. Hotel Rooms and Other Sleeping Arrangements

a. An Adult Participant cannot share a hotel room or otherwise sleep in the same room with a Minor Athlete(s), unless an exception exists **and** the Minor Athlete's parent/guardian has provided USA Racquetball, its State Association, or Adult Participant with advance, written consent for each specific lodging arrangement.

b. Written consent from a Minor Athlete's parent/guardian must be obtained for all In-Program lodging at least annually.

c. Minor Athlete(s) or their parent/guardian can withdraw consent at any time.

3. Monitoring or Room Checks During In-Program Travel

If USA Racquetball or its State Association or team performs room checks during In-Program lodging, the one-on-one interaction policy must be followed and at least two adults must be present for the room checks.

4. Additional Requirements for Lodging Authorized or Funded by the Organization
