INTRODUCTION & USE OF THIS POLICY

USRowing’s mission is to steward, strengthen, and grow American rowing by championing performance and igniting passion for the sport. Delivering on that mission starts with our commitment to Safeguarding, which USRowing defines as **the range of measures USRowing employs to promote and protect the welfare of all participants, including their physical and psychological well-being.**

Rowing is a lifelong activity, where athletes engage to have fun, compete, and spend time with friends. Rowing encourages a healthy lifestyle and builds self-confidence by teaching goal setting, teamwork, and time management skills.

Unfortunately, sport can be a high-risk environment for misconduct, including physical and sexual abuse. **All forms of misconduct are intolerable and in direct conflict with the ideals of both the Olympic and Paralympic movement and USRowing.** Misconduct may damage a Participant’s psychological well-being; athletes who have been mistreated may experience social embarrassment, emotional turmoil, psychological scars, loss of self-esteem and negative impacts on family, friends, and the sport. Misconduct often hurts an athlete’s competitive performance and may cause him or her to drop out of sport entirely.

USRowing is committed to improving the development and safety of athletes and participants involved in rowing. USRowing publishes this USRowing Abuse Prevention and Response Policy (the “**Policy**”) as a resource to guide the development, implementation and internal review of effective athlete safety and misconduct prevention strategies for rowing activities run by USRowing.

[The Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017](#) (Public Law 115-126) took effect in February 2018 (“**SafeSport Act**”). The SafeSport Act designated the United States Center for SafeSport (the “**Center**”) as the official safe sport organization for all Olympic, Paralympic, Pan American, and Para Pan American sports in the United States. To prevent the emotional, physical, and sexual abuse of amateur athletes, the SafeSport Act requires national governing bodies to implement both prevention training and prevention policies.

As a member organization of the U.S. Olympic & Paralympic Committee (“**USOPC**”), USRowing, its employees, contractors, volunteers, officials, board members, committee members and other designees, members and organizational members (collectively, “**Participants**”) are required to comply with the U.S. Center for SafeSport Code of the U.S. and Paralympic Movement (the “**Code**”), including its reporting requirements, available here: [U.S. Center for SafeSport Code.](#)

The Code serves as benchmark by which the Center or USRowing evaluates whether a Code violation has occurred. For violations that fall within the Center’s jurisdiction, the Center will determine resolutions and sanctions in connection with the violation. USRowing will respond to and resolve allegations of abuse and misconduct that fall within its jurisdiction, as well as those over which the Center declines jurisdiction pursuant to the procedures outlined in the sections below.

The Code outlines prohibited conduct relating to the following categories for all Participants (hereinafter defined):

- Criminal Charges or Dispositions
- Child Abuse
- Bullying
- Harassment
- Hazing
- Sexual Misconduct

- Emotional Misconduct
- Physical Misconduct
- Aiding and Abetting
- Misconduct related to Reporting
- Misconduct Related to the Center’s Process
- Other Inappropriate Conduct
- Violation of the Minor Athlete Abuse Prevention Policies (“**MAAPP**”)

All Adult Participants in contact with Minor Athletes (hereinafter defined) must adhere to USRowing’s MAAPP contained below.

Pursuant to both the SafeSport Act as implemented by the Code and USRowing’s Bylaws, the Center has exclusive jurisdiction over all issues involving Sexual Misconduct, Child Abuse, Misconduct related to reporting, Misconduct related to Aiding and Abetting, Abuse of the Process, or Retaliation when it relates to the Center’s process and other inappropriate conduct (hereinafter defined). Such issues are to be reported directly to the Center and appropriate local authorities. Any report received by USRowing or a member organization of an allegation that falls within the Center’s exclusive jurisdiction must be referred directly to the Center immediately and no later than within 24 hours. Such reports to the Center should be made through the reporting form found here: [Report a Concern to the U.S. Center for SafeSport](#).

While non-sexual misconduct issues may be reported directly to the Center, USRowing encourages initial reporting of such matters to the relevant Member Organization (hereinafter defined) using the Member Organization’s internal reporting processes. If, following review by the Member Organization, the issue remains unresolved or is not susceptible to resolution at the Member Organization level, it must be reported to USRowing using the USRowing reporting form found here: [Report an Incident to USRowing](#).

Many individuals who are identified as reporters under this policy may also be involved with their local USRowing Member Organizations. The policies contained herein are internal and meant as a guide for activities run directly by USRowing. Member Organizations should have their own individual Safe Sport policies to govern individuals’ responsibilities and may include additional or different policies that relate to that specific organization, subject to the minimum requirements of [the Code](#) and the [Minor Athlete Abuse Prevention Policies](#). Therefore, individuals should adhere to the set of policies relevant to the role they are acting in at a given time. If the Member Organization does not have its own policy, this Policy will be automatically in force.

Once a coach-Athlete relationship is established, there is a rebuttable presumption that a Power Imbalance exists throughout the coach-Athlete relationship (regardless of age) and is presumed to continue for Minor Athletes after the coach-Athlete relationship terminates until the Athlete reaches 25 years of age. Examples in which a Power Imbalance may also exist, but is not presumed, include relationships between an Athlete and another Participant in positions such as sport specific health-care providers, sport science support staff, care or support persons, sport judges, referees or officials, or when an Intimate Relationship existed before the sport relationship (e.g., a relationship between two spouses or life partners that preceded the sport relationship). A Power Imbalance may also exist between one person and another based on the totality of the circumstances and depends on several factors, any one of which may be sufficient alone, including but not limited to: the nature and extent of any implied or perceived authority or control; the supervisory, evaluative, or other authority over the person; the actual relationship between the parties; the parties’ respective roles; the nature and duration of the relationship; the age of the parties involved; whether there is an aggressor; whether there is a significant disparity in age, size, strength, or mental capacity; seniority; ability; public profile; gender identity or expression; sexual orientation; racial or ethnic identity; national origin; level of physical, intellectual, or other disability.

MINOR ATHLETE ABUSE PREVENTION POLICIES (MAAPP)

The U.S. Center for SafeSport is committed to building a sports community where Participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct. USRowing supports this mission and strives for our competition and training environments to be free of abuse. This set of policies is for keeping young athletes safe.

A. AUTHORITY: PREVENTION TRAINING & POLICIES

The Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017 authorizes the Center to develop training and policies to prevent abuse—including physical, emotional, and sexual abuse—within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(1). Federal law requires that, at a minimum, national governing bodies **must offer and give consistent training related to the prevention of child abuse: (1) to all adult members who are in Regular Contact with amateur athletes who are minors and (2) subject to parental consent, to members who are minors.** 36 U.S.C. § 220542(a)(3). Federal law requires that these policies contain reasonable procedures to limit unobservable and uninterruptible one-on-one interactions between an amateur athlete, who is a minor, and an adult, who is not the minor’s legal guardian, at facilities under the jurisdiction of organizations within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(2).

1. What is the MAAPP?

To that end, the Center has developed the Minor Athlete Abuse Prevention Policies (MAAPP). The MAAPP is a collection of proactive prevention and training policies for the U.S. Olympic & Paralympic Movement. It has four primary components:

- Organizational Requirements for Education and Training Prevention Policies
- An Education & Training Policy that requires training for certain Adult Participants within the Olympic & Paralympic Movement
- Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes, that Organizations within the Olympic & Paralympic Movement must implement to prevent abuse
- Recommended Prevention Policies.

The Center developed the MAAPP to assist National Governing Bodies (NGBs), Local Affiliated Organizations (LAOs), the U.S. Olympic & Paralympic Committee (USOPC), and other individuals to whom these policies apply in meeting their obligations under federal law.

NOTE: Implementing these policies does not guarantee that an organization or individual fully complies with federal law or all applicable legal obligations.

These Organizations should share these policies with all Participants and with parents/guardians of minor athletes. Those implementing these policies should consider the physical and cognitive needs of all athletes.

The MAAPP focuses on just two important aspects of a much larger comprehensive abuse prevention strategy. These policies address training requirements and limiting one-on-one interactions between adults and minor athletes. These policies are intended to be enforceable and reasonable, acknowledging, for example, that when a 17-year-old athlete turns 18, they become an adult athlete, and a complete prohibition of one-on-one interactions may not be necessary or practical if there is no power imbalance. Additionally, there may be other instances when one-on-one interactions could occur, and in those cases, these policies provide strategies so parents/guardians can provide informed consent if they choose to allow a permitted interaction.

The Center recommends that parents first complete training on abuse prevention to be informed about

potential boundary violations and concerns before consenting to the interaction.

While the MAAPP will help organizations implement these policies to greatly improve minor athlete safety, in no way can they guarantee athlete safety in all circumstances, especially when the policies are not fully implemented, followed, or monitored. These policies are not comprehensive of all prevention strategies, nor are they intended to be. These policies should be implemented alongside the [SafeSport Code](#) (refer to sections III-VII of this policy). Additionally, other resources are available that may assist organizations in improving athlete safety.²

2. How Does the Center Ensure Compliance with the MAAPP?

Federal law requires the Center to conduct regular and random audits of the NGBs to ensure compliance with these policies. 36 U.S.C. § 220542(a)(2)(E). More specific organizational compliance requirements can be found in Part I. Additionally, it is the responsibility of the USOPC and each NGB, LAO, and Adult Participant to comply with the MAAPP. The aforementioned organizations can act in their respective programs for violations of the MAAPP by Adult Participants. Adult Participants also have an independent responsibility to comply with these MAAPP provisions. Violations of these provisions can result in sanctions under the SafeSport Code.

3. Is the MAAPP Different from the SafeSport Code?

Yes. The [SafeSport Code](#) works alongside the MAAPP to prevent abuse. The MAAPP includes proactive prevention policies for organizations and individuals, while the SafeSport Code contains misconduct policies for individuals. However, violations of the MAAPP can violate the SafeSport Code, and violators who are also Participants can be sanctioned.

4. What is the Scope of the MAAPP?

The MAAPP Applies to “In-Program Contact” Within the Olympic & Paralympic Movement.

The MAAPP is required for the U.S. Olympic & Paralympic Committee (USOPC), National Governing Bodies (NGB), and Local Affiliated Organizations (LAO) within the Olympic & Paralympic Movement (each an “**Organization**”).

Some policies impose requirements on USRowing and Member Organizations at sanctioned events and facilities partially or fully under USRowing’s jurisdiction. For example, USRowing and Member Organizations must monitor locker rooms at their facilities and sanctioned events. Other policies impose certain requirements on Adult Participants under USRowing’s jurisdiction when the Adult Participant is having “In-Program Contact.” For example, Adult Participants cannot have one-on-one electronic communications with Minor Athletes unless it is observable or interruptible.

5. Am I Required to Take SafeSport Training?

Adult Participants within the Olympic & Paralympic Movement who have (i) Regular Contact with amateur athletes who are a minor, (ii) authority over amateur athletes who are a minor, or (iii) are employees or board members of USRowing or Member Organizations as well as (iv) adult athletes who have regular contact with amateur athletes who are a minor are required to take the *SafeSport Trained Core* course or its relevant refresher training as applicable.

The specific training requirements can be found in Part II and Member Organizations shall implement policies and procedures sufficient to comply with federal requirements.

B. REPORTING VIOLATIONS

Violations of these MAAPP policies can be reported to USRowing by submitting a USRowing Incident Report Form, which can be found at [this link](#), or by contacting the members of the Safeguarding Team at: USRowingSafeSport@usrowing.org,

C. MAAPP PROVISIONS

1. Organizational Requirements for Education and Training Prevention Policies

USRowing and all Member Organizations must implement proactive policies designed to prevent abuse. These organizational requirements are described below.

A) Organizational Requirements for Education & Training

USRowing must track whether Adult Participants under its jurisdiction complete the required training listed in Part II. USRowing highly recommends Member Organizations also track whether Adult Participants under their jurisdiction complete the required training listed in Part II.

USRowing and Member Organizations must, every 12 months, offer and, subject to parental consent, give training to minor athletes on the prevention and reporting of child abuse.

- (a) For training to Minor Athletes, USRowing must track a description of the training and how the training was offered and provided to minor athletes.
- (b) USRowing is not required to track individual course completions of minor athletes.

USRowing and Member Organizations must, every 12 months, offer training to parents on the prevention and reporting of child abuse.

- (c) For training to parents, USRowing must track the description of the training and how the training was provided to parents.
- (d) USRowing is not required to track individual course completions of parents.

B) Required Prevention Policies and Implementation

USRowing must develop minor athlete abuse prevention policies to limit one-on-one interactions between a Minor Athlete and an Adult Participant. These policies must contain the mandatory components of the Center's model policies in Part III. These model policies cover:

- (a) Meetings
- (b) Individual Training sessions
- (c) Therapeutic and Recovery Modalities and Manual Therapy
- (d) Locker rooms and changing areas
- (e) Electronic communications
- (f) Transportation
- (g) Lodging and Residential Environments

The policies must be approved by the Center as described in subsection (C) below. The policies may include the recommended components in Part III and the recommended policies in Part IV. Given the uniqueness of each sport, however, some recommended components or policies may not be feasible or appropriate. Such concerns should be addressed with the Center during the Policy Approval and Submission Process discussed below. USRowing may choose to implement stricter standards than the model policies.

USRowing must also require that its Member Organizations (LAO) implement these policies within each Member

Organization.

USRowing and Member Organizations must implement these policies for all In-Program Contact.

- (h) At sanctioned events and facilities partially or fully under its jurisdiction, the organization must take steps to ensure the policies are implemented and followed.
- (i) For In-Program Contact that occurs outside USRowing's or Member Organization's sanctioned event or facilities, implementing these policies means:
 - (i) Communicating the policies to individuals under its jurisdiction.
 - (ii) Establishing a reporting mechanism for violations of the policies.
 - (iii) Investigating and enforcing violations of the policies.

USRowing and Member Organizations must have a reporting mechanism to accept reports that an Adult Participant is violating USRowing's minor athlete abuse prevention policies. USRowing and Member Organizations must appropriately investigate and resolve any reports received, unless the violation is reported to the Center, and it exercises jurisdiction over the report. This requirement is in addition to requirements to report abuse under the SafeSport Code.

C) Policy Approval and Submission Process

USRowing, its Member Organizations and the USOPC may adopt the MAAPP as-is or adapt it to fit their needs. Regardless, USRowing must submit their policies to the Center at compliance@safesport.org for review and approval by April 1, 2024. The Center will approve, approve with modifications, or deny the policies. If the Center denies the proposed policy, the mandatory components of Part III become the default policy until the Center approves the policy.

The MAAPP has been adopted by USRowing in accordance with the U.S. Center for SafeSport and USOPC guidelines. The MAAPP is binding on USRowing, Members and Member Organizations. Member Organizations are expected to incorporate the MAAPP into their individual Safe Sport Policies. Member Organizations are also permitted to independently adopt policies that enhance or further the athlete protections set forth in the MAAPP, but are prohibited from adopting any policies that are, in the judgment of USRowing, less protective of athletes than the MAAPP. Further, should there exist any conflict between the MAAPP and the provisions of a Member Organization's athlete protection policies, the MAAPP will take priority over any such conflicting policy.

The mandatory components of Part III will serve as the default policy for any Organization that fails to develop its own policy as required by this section.

Any changes made to USRowing MAAPP after the policy is approved must be submitted to the Center for approval. The Previously approved MAAPP will remain in effect until written approval is provided to USRowing from the Center.

Refresher Training

The above listed Adult Participants must complete a refresher course on an annual basis (every 12 months), beginning the calendar year after completing the SafeSport Trained Core course. Every four years, Adult Participants will complete the *SafeSport Trained Core* training. Medical providers can take the SafeSport for Health Professionals course in lieu of the *SafeSport Trained Core* and are required to take the refresher courses on an annual basis if they meet the criteria for A) (1).

B) Minor Athlete Training Must Be Offered

Minor athletes of USRowing and/or a USRowing Member Organization are strongly encouraged to take the *SafeSport for Youth Athletes*.

USRowing and Member Organizations, every 12 months, must offer and, subject to parental consent, give training to minor athletes on the prevention and reporting of child abuse.

The Center offers youth courses that meet this requirement. These courses are accessed through the individual's personal profile on the USRowing [Membership Portal](#).

C) Parent Training Must Be Offered

USRowing and Member Organizations, every 12 months, must offer training to parents on the prevention and reporting of child abuse.

The Center offers a parent course. These courses are accessed through the parent or guardian's personal Supporter Membership profile on the [USRowing Member Database](#).

D) Optional Training

Adult Participants serving in a volunteer capacity and are not athletes, who will not have Regular Contact with or authority over amateur athletes who are minors, are not required to take training, but should take the Center's brief *Volunteer* course (or *SafeSport Trained Core*) before engaging or interacting with any amateur athletes who are minors. All others in volunteer support positions who have Regular Contact with or authority over amateur athletes who are minors are required to take the *SafeSport Trained Core* or *Refresher* courses.

Adult athletes only (who do not have Regular Contact with minors) are not required to take training but are encouraged to take the *Abuse Prevention for Adult Athletes*.

USRowing and Member Organizations may provide training in addition to the *SafeSport Trained Core*, although they cannot refer to this training as "SafeSport" training.

NOTE: Training other than the *SafeSport Trained Core* or *Refresher* does not satisfy this policy.

Parents of minor athletes are provided free online access to the Center's *Parent* course and are encouraged to take the training.

E) Exemptions and Accommodations

Exemptions from this Education & Training Policy may be made on a case-by-case basis for victims/survivors. Requests may be made directly to the U.S. Center for SafeSport at exemptions@safesport.org or via USRowing at USRowingSafesport@usrowing.org. All exemptions granted by the Center in this category are considered indefinite and do not need to be re-requested each year.

Exemptions to the online training requirement for reasons other than survivor of abuse and misconduct are limited to cognitive or physical disability or language barrier. Requests for these exemptions must be made by the individual or Personal Care Assistant to USRowing via USRowingSafeSport@usrowing.org. USRowing will determine whether to grant the exemption. If USRowing grants the exemption, it must track the exemption to ensure it is appropriately applied to the individual's membership status. USRowing will preserve documentation that the exemption was granted and for what duration.

The Center has several options available to assist individuals in completing the online training courses, including screen reader-compatible versions and course availability in several languages, including English, Spanish, French, Mandarin, Russian, German, and Japanese. If none of the available options will fit the individual's needs, USRowing may determine whether to grant an exemption.

3. Required Prevention Policies

The following athlete abuse prevention policies are in effect as of January 1, 2025:

- A) One-on-one interactions (USRowing is required to establish reasonable procedures to limit on-on-one interactions, as set forth in federal law.)
- B) Meetings
- C) Individual Training Sessions
- D) Manual Therapeutic and Recovery Modalities and Manual Therapy
- E) Areas where athletes change clothes.
- F) Social media and electronic communications
- G) Transportation
- H) Lodging

4. Required Policies for One-on-One Interactions

The majority of child sexual abuse is perpetuated in isolated, one-on-one situations. By reducing such interactions between children and adults, programs reduce the risk of child sexual abuse. However, one-on-one time with trusted adults is also healthy and valuable for a child. Policies concerning one-on-one interactions must protect children while allowing for these beneficial relationships.

All one-on-one In-Program Contact between an Adult Participant and a Minor Athlete must be observable and interruptible, except in emergency circumstances or with a documented exception.

A) Exceptions

There are certain relationships and situations in which one-on-one interactions may be allowed or necessary. This section identifies policy exceptions for close-in-age relationships, Personal Care Assistants, dual relationships, and emergencies. The following exceptions are applicable within all Required Prevention Policies unless otherwise noted.

(1) A Close-in-Age Exception The purpose of this exception is to allow for continued relationships among athletes on the same team. This exception allows for one-on-one In-Program Contact between an Adult Participant and a Minor Athlete if:

- (a) The Adult Participant has no authority over the Minor Athlete; and
- (b) The Adult Participant is not more than 4 years older (determined by birth date) than the Minor Athlete.

Note: This exception is different than the close-in-age exception in the SafeSport Code pertaining to misconduct.

(2) Exceptions for Adult Participant Personal Care Assistants Working with a Minor Athlete

This exception exists for Adult Participants who also assist a parasport athlete with activities of daily living and preparation for athletic participation. This exception allows for one-on-one In-Program Contact between an Adult Participant and a Minor Athlete if the following requirements are met:

- (a) The Minor Athlete's parent/guardian has provided written consent to the Organization for the Adult Participant Personal Care Assistant to work with the Minor Athlete; and
- (b) The Adult Participant Personal Care Assistant has complied with the Education & Training Policy; and
- (c) the Adult Participant Personal Care Assistant has complied with the Organization's screening policy.

(3) Exceptions for Dual Relationships This exception allows for one-on-one In-Program Contact when the Adult Participant has a relationship with a Minor Athlete that is outside of the sport program. The exception requires written consent of the Minor Athlete's parent/guardian at least annually. The consent must identify for which

Required Prevention Policies the parent/guardian is allowing the one-on-one In-Program Contact.

(4) Emergency Exception This exception applies to all Required Prevention Policies for situations where an Adult Participant must violate requirement(s) of the MAAPP due to an emergency. Adult Participants must carefully consider whether specific circumstances meet the threshold of “emergency.” Adult Participants should document emergency situations in accordance with their organization’s protocols. The Center recommends parents take training on child abuse prevention before providing consent to the above exceptions. The Center offers a free Parent Course at safesporttrained.org.

B) Meetings

Observable and Interruptible

- (a) Adult Participants must follow the one-on-one interaction policy in all meetings and individual training sessions where Minor Athlete are present.

C) Individual Training Sessions

The Adult Participant providing the individual training session must receive advance, written consent from the Minor Athlete’s parent/guardian at least annually, which can be withdrawn at any time; and

- (a) Parents/guardians must be allowed to observe the individual training session.

Meetings with licensed mental health care professionals and health care providers (other than athletic trainers³)

- (b) If a licensed mental health care professional or licensed health care provider, or a student under the supervision of a licensed mental health care professional or licensed health care provider meets one-on-one with a Minor Athlete at a sanctioned event or a facility, which is partially or fully under USRowing or Member Organization’s jurisdiction, the meeting must be observable and interruptible except:
 - (i) If the door remains unlocked; and
 - (ii) Another adult is present at the facility and notified that a meeting is occurring, although the Minor Athlete’s identity needs not be disclosed; and
 - (iii) USRowing must be notified that the provider will be meeting with a Minor Athlete by a Member Organization and
 - (iv) The provider obtains consent consistent with applicable laws and ethical standards, which can be withdrawn at any time.

Recommended Best Practices

- (c) Monitoring: If a permitted meeting or training session takes place between an Adult Participant(s) and a Minor Athlete(s) at a facility partially or fully under USRowing or Member Organization’s jurisdiction, another Adult Participant will monitor each meeting or training session. Monitoring includes reviewing the parent/guardian consent form, knowing that the meeting or training session is occurring, knowing the approximate planned duration of the meeting or training session, and dropping in on the meeting or training session.
- (d) Parent Training: Parents/guardians receive the U.S. Center for SafeSport’s education and training on child abuse prevention before providing consent for their Minor Athlete to have a meeting or training session with an Adult Participant subject to these policies.

³ Athletic trainers who are covered under these policies must follow the “Manual Therapy and Therapeutic and Recovery Modalities” policy.

- (k) Parents should not enter locker rooms and changing areas unless it is an emergency. In those instances, it should only be a same-sex parent when other Minor Athletes are changing in the same locker room or changing area. If this is necessary, parents should let a coach or administrator know about this in advance.

Turn Your MAAP / SafeSport Policies into Practice: USRowing encourages the following recommendations:

(f) Discuss the Policy:

(i) Hold regular (minimum twice annually) staff and leadership discussions / trainings to review:

- strategies, best practices, and changes required for the rowing program to implement the policy
- Hold all rowing program community members accountable to the policy
- Specifically ensure minor athletes and families know the policy and expectations
- Host seasonal reviews of the MAAP policy with minor athletes. This discussion should include a review of Section 3 of the MAAP provisions above using examples that are relevant to the rowing program's specific team operations, competition, and physical space.

(g) Take Supplemental Action:

- (i) Leadership and coaches complete We Ride Together Sexual Misconduct and Abuse Prevention, Support, and Resources in USRowing's online learning platform, *The Launch*
- (ii) Sign the We Ride Together Pledge available on weridetgether.today
- (iii) Make the Policy Visual:
 - Hang the MAAP signs around the boathouse in easy-to-see places to ensure the language and expectations are part of the culture
 - Leverage the We Ride Together materials on weridetgether.today
- (iv) Gather feedback from all athletes (especially minor athletes) and incorporate their feedback into policy and practice. USRowing recommends two anonymous feedback surveys per year.

JURISDICTION

The Center's jurisdiction is specific to SafeSport allegations within the Movement. The Center is granted their authority from the [Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017](#) and any resulting Center determinations are specific to participation within the Movement. The Center's jurisdiction does not impact USRowing or any of its Member Organizations from taking any investigation, proceeding, or action they deem necessary, other than actions that may interfere with a SafeSport investigation.

The Center does have the authority to “go first” in an investigation when they accept jurisdiction – effectively creating a stay of investigation by Member Organizations, USRowing, and the USOPC. Allowing the Center to “go first” guarantees a professional, independent, and cost-effective investigation for the most serious claims of abuse.

It does not preclude normal operations activity of an entity extending beyond the Member Organization and therefore beyond the Movement, including parallel investigations (i.e., Title IX investigations), parallel reporting responsibilities of Participants to additional parties such as law enforcement or their own institutions, personnel decisions, safety plans, and normal operations.

SafeSport obligations do not extend to related entities beyond the signatory to the Membership Agreement with USRowing.

D. EXCLUSIVE JURISDICTION

Exclusive” jurisdiction for certain types of SafeSport claims means that those allegations must be reported to the Center, and that if the Center accepts jurisdiction, they – not USRowing or its Member Organizations -- “go first” in the SafeSport investigation, while also in parallel with other investigations such as a Title IX investigation. The Center has the exclusive jurisdiction to investigate and resolve SafeSport allegations within the Movement when a Participant is alleged to have engaged in one or more of the following:

- Sexual Misconduct, including, without limitation, child sexual abuse and any misconduct that is reasonably related to an underlying allegation of Sexual Misconduct
- Criminal Charges involving Child Abuse or Sexual Misconduct
- Misconduct Related to Reporting, where the underlying allegation involves Child Abuse or Sexual Misconduct
- Aiding and Abetting, when it relates to the Center's process
- Misconduct Related to the Center's Process
- Other Inappropriate Conduct, as defined in the Code.

Notwithstanding the forgoing, at any time when the Center exercises exclusive jurisdiction, Member Organizations and USRowing retain the authority to address any SafeSport allegation(s) by imposing temporary safety measures and may follow their own policies and procedures to make decisions about employment or participation within their Member Organization.

Concurrent investigations between SafeSport and another entity outside of the Movement can occur. However, USRowing, USRowing Member Organizations, and the USOPC cannot conduct their own SafeSport investigation(s) once the Center has accepted jurisdiction. At the conclusion of the Center's SafeSport investigation, USRowing, USRowing Member Organizations, and the USOPC can investigate the same allegation as a violation of any other non-SafeSport policy that applies, with the provision that it does not interfere with other federal-level investigations such as Title IX.

At the conclusion of SafeSport’s investigation, USRowing, USRowing member organizations, and the USOPC can investigate the same allegation as a violation of any other non-SafeSport policy that applies.

E. DISCRETIONARY JURISDICTION

USRowing and applicable Member Organizations have jurisdiction, and the Center has discretionary jurisdiction, to investigate and resolve SafeSport allegations within the Movement when a Participant is alleged to have engaged in one or more of the following:

- Non-sexual Child Abuse
- Emotional and physical misconduct, including stalking, bullying behaviors, hazing and harassment
- Criminal Charges not involving Child Abuse or Sexual Misconduct
- USRowing Minor Athlete Abuse Prevention Policies (MAAPP) or other similar Proactive Policy violations.

The Center shall also have the authority to accept discretionary jurisdiction over the investigation and resolution of SafeSport allegations of USRowing Abuse Prevention and Response Policy other than Sexual Misconduct. Examples of such allegations include Physical Misconduct, Bullying, Locker Room Policy, etc.

USRowing and USRowing Member Organizations have the authority and jurisdiction to investigate and resolve any allegation(s) of violations of this Policy and/or the Code that are not within the Center’s exclusive jurisdiction. A provision is that, if the Center does exercise its jurisdiction of SafeSport allegation(s), neither USRowing nor any applicable Organizational Member shall exercise jurisdiction over the SafeSport allegation(s). If USRowing or an applicable Organizational Member has already exercised jurisdiction over the matter by the time the Center exercises jurisdiction, USRowing and/or the applicable Member Organization no longer has jurisdiction over the SafeSport allegation(s). Concurrent investigations between SafeSport and another entity outside of the Movement can occur.

Notwithstanding the forgoing, at any time when the Center exercises discretionary jurisdiction, Member Organizations and USRowing retain the authority to address any SafeSport allegation(s) by imposing temporary safety measures and may follow their own policies and procedures to make decisions about employment or participation within their Member Organization.

At the conclusion of SafeSport’s investigation, USRowing, USRowing member organizations, and the USOPC can investigate the same allegation as a violation of any other non-SafeSport policy that applies.

If USRowing exercises discretionary jurisdiction over SafeSport allegation(s), the applicable Member Organization shall not exercise their own jurisdiction over the allegation(s) or, if the applicable Member Organization has already exercised jurisdiction over the matter by the time USRowing exercises discretionary jurisdiction over the SafeSport allegation(s), the applicable Member Organization no longer has jurisdiction over the SafeSport allegation(s). USRowing may, in its sole and absolute discretion, refer any SafeSport allegations of misconduct submitted to USRowing that are not within the Center’s exclusive jurisdiction, and/or any allegation(s) over which the Center has declined jurisdiction, to an applicable Member Organization, in each allegation without prejudice to USRowing’s right to, at any time, assert jurisdiction over the SafeSport allegation(s).

F. JURISDICTION, NOTIFICATION & PROCESS

Should the accept jurisdiction over an allegation, the Center shall issue a Notice of Exercise of Jurisdiction. There on, any temporary suspension, discipline, or other measures previously imposed by USRowing, or a Member Organization will be automatically and immediately adopted by the Center as its own. The suspension, or other

measures will be applicable throughout the Center's jurisdiction and will remain in effect unless and until the Center modifies those measures.

USRowing will promptly inform the identified reporting person(s) of its jurisdictional determination regarding their report to USRowing, communicating that the matter either is being referred to the Center, is being addressed by USRowing, or is being referred to the local Member Organization.

Once the Center exercises jurisdiction over SafeSport allegations regarding a particular Participant, neither USRowing nor any Member Organization may issue a new suspension in response to those allegations. However, a Member Organization may impose temporary safety measures and make employment and participation decisions based on their Member Organization's policies and procedures.

After the Center concludes their investigation, USRowing and Member Organizations may: use the Center's findings as sufficient justification for their own employment or participation determinations; consider the Center's determinations when conducting their own employment or participation determinations; and must abide by the Center's determinations solely as they relate to participation in the movement.

G. MANDATORY REPORTING

USRowing has a mandatory reporting policy that comports with the mandatory reporting of child abuse provisions in the SafeSport Code, including mandatory reports to law enforcement, compliance with any other applicable reporting requirements under state law, and mandatory reports to the Center.

USRowing strongly encourages all Participants to report all allegations of Prohibited Conduct.

As a reminder, Adult Participants are mandatory reporters under this Policy. If an adult Participant learns of any allegation of Prohibited Conduct, they must report the allegation as follows:

If a Participant becomes aware of an allegation of Sexual Misconduct or Child Abuse or Retaliation the Participant **MUST** report this to the Center immediately, and report Child Abuse to Law Enforcement.

IMPORTANT: If an Adult Participant or witness learns of information and reasonably suspects that a Minor has suffered an incident of Child Abuse (including neglect, physical, emotional, and sexual abuse), they must report this to law enforcement (or in some states, child protective services) and the Center immediately. Filing a report with the Center does not satisfy the reporting requirement to law enforcement.

PROHIBITED CONDUCT

H. GENERALLY

All Participants are bound by and must comply with this Policy as well as the Code. Participants are responsible for knowing the information outlined herein, and in the Code, and by virtue of being a Participant, have expressly agreed to this Policy and the Code, including the applicable policies and procedures.

Participation in USRowing licensed and sanctioned activities is a privilege, not a right. Such participation may be limited, conditioned, suspended, terminated, or denied if a Participant's conduct is or was inconsistent with the Code, this Policy, and/or the best interests of the sport of rowing and those who participate in it.

It is a violation of this Policy for a Participant to engage in or tolerate: (i) Prohibited Conduct; (ii) any conduct that would violate any current or previous Center or USRowing standards analogous to Prohibited Conduct that existed at the time of the alleged conduct; or (iii) any conduct that would violate community standards analogous to Prohibited Conduct that existed at the time of the alleged conduct, including then-applicable criminal and/or civil laws.

USRowing formally adopts the definitions of Prohibited Conduct contained in the Code and set forth below. Any changes to the Code's categories and definitions of misconduct are immediately adopted by USRowing and effective upon the Center's publication of them unless otherwise noted. Prohibited Conduct includes:

- Criminal Charge or Disposition
- Child Abuse
- Sexual Misconduct
- Emotional and Physical Misconduct, including Stalking, Bullying, Hazing, and Harassment
- Aiding and Abetting
- Misconduct Related to Reporting
- Other Inappropriate Conduct
- Violation of USRowing MAAPP

All Participants must familiarize themselves with each form of misconduct and the policies herein and in the Code and must refrain from engaging in misconduct and/or violating any of these policies.

I. CRIMINAL CHARGE OR DISPOSITION

It is a violation of this Policy for a Participant to have a Criminal Charge or Disposition. Criminal Conduct is relevant to an individual's fitness to participate in sport. The age of a Criminal Charge or Disposition is not relevant to whether a violation of this Policy occurred but may be considered for sanctioning purposes.

Sex Offender Registry: A Participant who is currently on any state, federal, territorial, or tribal sex offender registry is ineligible to be a Participant.

J. SEXUAL MISCONDUCT & CHILD ABUSE

USRowing applies the same policies prohibiting Sexual Misconduct and Child Abuse as the applicable policies of the Code, which can be found [here](#). All persons within the jurisdiction of USRowing shall comply with the Sexual Misconduct and Child Abuse policies of the Code. Any violation of the Sexual Misconduct or Child Abuse policies of the Code by a Participant shall subject such person to appropriate disciplinary action by the Center and/or USRowing, including, but not limited to, suspension, permanent suspension, and/or referral to law enforcement authorities.

Prohibited Conduct and Jurisdiction: The Center shall have authority and exclusive jurisdiction over the investigation and resolution of any SafeSport allegations or violations by any Participant of the Sexual Misconduct policies set forth in the Code, which prohibit sexual behavior involving minors by any adult Participant and in some cases between minors, including without limitation. Such violations are defined in the Code as:

- Sexual or Gender-related Harassment
- Non-consensual Sexual Contact
- Non-consensual Sexual Intercourse
- Sexual Exploitation
- Bullying or Hazing or Other Inappropriate Conduct of a sexual nature, including:
 - An adult Participant engaging in an intimate or romantic relationship where a Power Imbalance exists.
 - An Adult Participant exposing a minor to imagery of a sexual nature
 - An Adult Participant intentionally exposing private areas, or inducing another to do so, to an adult where there is a Power Imbalance, or to a minor, or
 - An Adult Participant engaging in inappropriate physical contact with a Participant where a Power Imbalance exists.

The Center shall also have exclusive jurisdiction to investigate and resolve SafeSport allegations where a Participant has a Criminal Charge or Disposition involving Child Abuse or Sexual Misconduct.

The Center shall also have authority and exclusive jurisdiction over a SafeSport allegation that includes Aiding and Abetting when it relates to the Center's Process, Misconduct Related to Reporting where the underlying allegation involves Child Abuse or Sexual Misconduct (including failing to report to the Center and intentionally filing a false allegation), and Misconduct Related to the Center's Process (including an abuse of process and retaliation). The behaviors or conduct prohibited by the Code may be found [here](#).

K. EMOTIONAL & PHYSICAL MISCONDUCT

It is a violation of this Policy for a Participant to engage in Emotional or Physical Misconduct, when that misconduct is reasonably related to sport, which includes, without limitation:

- Emotional Misconduct
- Physical Misconduct
- Bullying Behaviors
- Hazing
- Harassment
- Threats

1. Emotional Misconduct

Emotional Misconduct includes: (i) Verbal Acts, (ii) Physical Acts, (iii) Acts that Deny Attention or Support, (iv) Criminal Conduct, and/or (v) Stalking. Emotional Misconduct is determined by the objective behaviors, not whether harm is intended or results from the behavior.

- A) **Verbal Acts:** Repeatedly and excessively verbally assaulting or attacking someone personally in a manner that serves no productive training or motivational purpose.
- B) **Physical Acts:** Repeated and/or severe aggressive behaviors, including but not limited to, throwing sport equipment, water bottles or chairs at or in the presence of others, punching walls, windows, or other objects.

- C) **Acts that Deny Attention or Support:** Ignoring or isolating a person for extended periods of time, including routinely or arbitrarily excluding a Participant from practice.
- D) **Criminal Conduct:** Emotional Misconduct includes any act or conduct described as emotional abuse or misconduct under federal or state law (e.g., child abuse, child neglect).
- E) **Stalking:** Stalking when a person purposefully engages in a course of conduct directed at a specific person, and knows or should know, that the course of conduct would cause a reasonable person to (i) fear for their safety, (ii) the safety of a third person, or (iii) to experience substantial emotional distress.

“Stalking” also includes “cyber-stalking,” wherein a person stalks another using electronic media, such as the internet, social networks, blogs, cell phones, texts, or other similar devices or forms of contact.

“Course of conduct” means at least two or more acts, in which a person directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about another person, or interferes with another person’s property.

“Substantial emotional distress” means significant mental suffering or anguish.

- F) **Exclusion:** Emotional Misconduct does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance. Emotional Misconduct also does not include conduct reasonably accepted as part of sport and/or conduct reasonably accepted as part of Participant’s participation.

2. Physical Misconduct

Physical Misconduct is any intentional contact or non-contact behavior that causes, or reasonably threatens to cause, physical harm to another person. Examples of Physical Misconduct may include, without limitation:

- A) **Contact Violations:** Punching beating, biting, striking, strangling, or slapping another; intentionally hitting another with objects, such as sporting equipment; encouraging or knowingly permitting an Athlete to return to play prematurely following a serious injury (e.g., a concussion) and without the clearance of a medical professional.
- B) **Non-Contact violations:** Isolating a person in a confined space, such as locking an Athlete in a small space; forcing an Athlete to assume a painful stance or position for no athletic purpose (e.g., requiring an athlete to kneel on a harmful surface); withholding, recommending against, or denying adequate hydration, nutrition, medical attention, or sleep; providing alcohol to a person under the legal drinking age; providing illegal drugs or non-prescribed medications to another.
- C) **Criminal Conduct:** Physical Misconduct includes any act or conduct described as physical abuse or misconduct under federal or state law (e.g., child abuse, child neglect, assault).
- D) **Exclusion:** Physical Misconduct does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building appropriate discipline, or improved Athlete performance. For example, hitting, punching, and kicking are well-regulated forms of contact in combat sports but have no place in rowing. Physical Misconduct also does not include conduct reasonably accepted as part of sport and/or conduct reasonably accepted as part of Participants participation.

3. Bullying Behavior

Repeated and/or severe behavior(s) that are (i) aggressive, (ii) directed at a Minor, and (iii) intended or likely to hurt, control, or diminish the Minor emotionally, physically, or sexually. Bullying-like behaviors directed at adults are addressed under forms of misconduct, such as Hazing and/or Harassment. Examples of Bullying Behavior may include, without limitation, repeated and/or severe:

- A) **Physical:** Hitting, pushing, punching, beating, biting, striking, kicking, strangling, spitting, or slapping, or throwing objects (such as sporting equipment) at another person.
- B) **Verbal:** Ridiculing, taunting, name-calling or intimidating or threatening to cause someone harm.
- C) **Social Media, Including Cyberbullying:** Use of rumors or false statements about someone to diminish that person's reputation; using electronic communications, social media, or other technology to harass, frighten, intimidate, or humiliate someone; socially excluding someone and asking others to do the same.
- D) **Criminal Conduct:** Bullying Behavior includes any conduct described as bullying under federal or state law.
- E) **Exclusion:** Conduct may not rise to the level of Bullying Behavior if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions. Bullying does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

4. Hazing

Any conduct that subjects another person, whether physically, mentally, emotionally, or psychologically, to anything that may endanger, abuse, humiliate, degrade, or intimidate the person as a condition of joining or being socially accepted by a group, team, or organization. Purported Consent by the person subjected to Hazing is not a defense, regardless of the person's perceived willingness to cooperate or participate. Examples of Hazing include:

- A) **Contact Acts:** Tying, taping, or otherwise physically restraining another person; beating, paddling or other forms of physical assault.
- B) **Non-Contact Acts:** Requiring or forcing the consumption of alcohol, illegal drugs or other substances, including participation in binge drinking and drinking games; personal servitude; requiring social actions (e.g., public nudity) that are illegal or meant to draw ridicule; excessive training requirements demanded of only particular individuals on a team that serve no reasonable or productive training purpose; sleep deprivation; otherwise unnecessary schedule disruptions; withholding of water and/or food; restrictions on personal hygiene.
- C) **Criminal Acts:** Any act or conduct that constitutes hazing under applicable federal or state law.
- D) **Exclusion:** Conduct may not rise to the level of hazing if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as a part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions. Hazing does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

5. Harassment

Repeated and/or severe conduct that (a) causes fear, humiliation, or annoyance, (b) offends or degrades, (c) creates a hostile environment (as defined above), or (d) reflects discriminatory bias in an attempt to establish dominance, superiority, or power over an individual or group based on age, race, ethnicity, culture, religion, national origin, or mental or physical disability; or (e) any act or conduct described as harassment under federal or state law. Whether conduct is harassing depends on the totality of the circumstances, including the nature, frequency, intensity, location, context, and duration of the behavior.

Conduct may not rise to the level of Harassment if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as a part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions. Harassment does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

6. Threats

A Participant violates this Policy by threatening to harm another Participant. A threat to harm others includes any written, verbal, physical or electronically transmitted expression of intent to physically injure or harm someone else. A threat may be communicated directly to the intended victim or communicated to a third party. Threatening behavior by a Participant is prohibited in any manner in connection with any USRowing-sanctioned activities or events.

L. AIDING & ABETTING

Aiding and Abetting occurs when one aids, assists, facilitates, promotes, or encourages the commission of Prohibited Conduct by a Participant, including but not limited to, knowingly:

- (1) Allowing any person who has been identified as suspended or otherwise ineligible by USRowing to be in any way associated with or employed by a Member Organization or organization affiliated with or holding itself out as affiliated with USRowing, an NGB, LAO, the USOPC, or the Olympic & Paralympic Movement.
- (2) Allowing any person who has been identified as suspended or otherwise ineligible by USRowing to coach or instruct Participants.
- (3) Allowing any person who has been identified as ineligible by USRowing to have ownership interest in a facility, an organization, or its related entities, if that facility/organization/related entity is affiliated with or holds itself out as affiliated with an NGB, LAO, USOPC or the Olympic & Paralympic Movement. Providing any coaching-related advice or service to an Athlete who has been identified as suspended or otherwise ineligible by USRowing.
- (4) Allowing any person to violate the terms of their suspension or any other sanctions imposed by USRowing.

In addition, a Participant also violates this Policy if someone acts on behalf of the Participant to engage in aiding or Abetting, or if the guardian, family member, or Advisor of a Participant, including Minor Participants, engages in Aiding or Abetting.

M. INTENTIONALLY FILING A FALSE ALLEGATION

Any person making a knowingly false allegation in a matter over which USRowing has jurisdiction shall be subject to disciplinary action by USRowing.

- (1) An allegation is false if the events reported did not occur, and the person making the report knows the events did not occur.
- (2) A false allegation is different from an unsubstantiated allegation; an unsubstantiated allegation means there is insufficient supporting evidence to determine whether an allegation is true or false. Absent demonstrable misconduct, an unsubstantiated allegation alone is not grounds for a violation.

N. MINOR ATHLETE ABUSE PREVENTION POLICIES/PROACTIVE POLICIES

It is a violation of this Policy for a Participant to violate any provision of the MAAPP or other proactive policies adopted by USRowing (hereinafter set forth). Proactive policies set standards for professional boundaries, minimize the appearance of impropriety, and have the effect of preventing boundary violations and prohibiting grooming tactics. "Grooming" describes the process whereby a person engages in a series or pattern of behaviors with a goal of engaging in sexual misconduct. Grooming is initiated when a person seeks out a vulnerable minor. Once selected, offenders will then earn the minor's trust, and potentially the trust of the minor's family. After the offender has engaged the minor in sexually inappropriate behavior, the offender seeks to maintain control over him/her. Grooming occurs through direct, in-person and/or online contact.

O. WILLFUL TOLERANCE

A Participant violates this Policy by willfully tolerating any form of Prohibited Misconduct.

P. PROHIBITION OF RETALIATION

USRowing expressly prohibits retaliation before, during, and after the submission of a complaint or the process of an investigation (whether led by a Member Organization, USRowing, or by the US Center for SafeSport).

REPORTING

This Policy is designed to reduce misconduct and abuse, but it can still occur. USRowing does not investigate suspicions or allegations of child physical or sexual abuse or attempt to evaluate the credibility or validity of such allegations, as a condition of reporting suspicions or allegations to the appropriate law enforcement authorities. Participants shall follow the reporting procedures set forth in the reporting policy below. USRowing tracks reported allegations and outcomes both within its jurisdiction and for those over which the Center declines jurisdiction. USRowing and Member Organizations do not interfere in, attempt to interfere in, or attempt to influence the outcome of any Center investigation.

If an allegation of prohibited conduct occurs at an OPTC or USOPC Delegation Event, notification must be sent to the USOPC's Security & Athlete Safety Office. In addition, notification of any temporary measure(s) (imposed or removed) affecting Participants who might or will be attending a USOPC Delegation Event, have access to an OPTC, or receive a benefit and/or service from the USOPC, must also be reported to the USOPC's Security & Athlete Safety Office.

Q. RETALIATION

Retaliation is any adverse action taken by a Participant against a person participating in USRowing proceedings, or the Center's proceedings.

Retaliation includes threatening, intimidating, harassing, coercing, or any other conduct that would discourage a reasonable person from engaging or participating in USRowing's processes and proceedings when the action is reasonably related to the report or engagement with USRowing. Retaliation may be present even where there is a finding that no violation occurred.

Retaliation does not include good-faith action lawfully pursued in response to report of a USRowing Policy violation.

R. REPORTING SEXUAL MISCONDUCT

All reports of Sexual Misconduct must be reported directly to the Center [here](#) or (833)-587-7233. No statutes of limitation apply to reports of incidents of Sexual Misconduct. All such reports received by USRowing will be forwarded to the Center.

Reporting such conduct to the Center does not satisfy an Adult Participant's obligation to report to law enforcement or other appropriate authorities consistent with federal law. Any report received by USRowing or a Member Organization of an allegation that falls within the Center's exclusive jurisdiction must be referred directly to the Center immediately and no later than within 24 hours by USRowing or the Member Organization.

S. REPORTING NON-SEXUAL MISCONDUCT

For reporting any non-sexual misconduct, USRowing will take a report in the way that is most comfortable for the person initiating the report including an anonymous, in-person, verbal, or written report. Regardless of the method of reporting, it is helpful to USRowing to get the following information:

- The name of the Claimant(s)
- The type of misconduct alleged
- The name(s) of the alleged victims(s)
- The name(s) of the individual(s) alleged to have committed the misconduct.

Individuals may report non-sexual misconduct, including violations of the Minor Athletes Abuse Prevention Policies, to USRowing by completing an Incident Report Form. Required information on this form will include:

- The name(s) of the Claimant(s)
- The type of misconduct alleged
- The name(s) of the individual(s) alleged to have committed the misconduct
- The approximate date(s) and location(s) where the misconduct was committed
- The names of other individuals who might have information regarding the alleged misconduct
- A summary statement of the reasons to believe that misconduct has occurred.

Except for mandatory reporting to the authorities and the Center, USRowing will withhold the Claimant's name upon request, to the extent permitted by law. A copy of the USRowing Incident Report form can be found [here](#).

T. CONFIDENTIALITY & ANONYMOUS REPORTING

- (1) **Confidentiality:** To the extent permitted by law, and as appropriate, USRowing will handle any report it receives privately and discretely and will not make public the names of the Claimant(s), potential victim(s), or accused person(s); however, USRowing may disclose such names on a limited basis when conducting an investigation, reporting the allegations to a member organization, reporting to the Center, or reporting to law enforcement authorities.
- (2) **Anonymous Reporting:** USRowing recognizes that it can be difficult to report an allegation of misconduct and strives to remove as many barriers to reporting as possible. Anonymous reports may be made without the formality of completing an Incident Report Form by:
 - (a) Completing (without including a name) an Incident Report Form found [here](#)
 - (b) Expressing concerns of misconduct to USRowing directly
 - (c) Expressing concerns to the Safeguarding Team at USRowingSafeSport@usrowing.org

U. HOW REPORTS ARE HANDLED

- (1) **Suspicious or Allegations of Child Physical or Sexual Abuse Reported to Law Enforcement and/or Child Protected Services:** All allegations of child physical or sexual abuse will be reported to law enforcement authorities and the Center. USRowing does not attempt to evaluate the credibility or validity of child physical or sexual abuse as a condition for reporting to appropriate law enforcement authorities. As necessary, however, USRowing may ask a few clarifying questions of the person making the report to adequately report the suspicion or allegation to law enforcement authorities.
- (2) **Misconduct and Policy Violations:** Member Organizations will address any alleged violations of this Policy and/or the Member Organization's own SafeSport Policy that is reported to the Member Organization, referred to the Member Organization by USRowing, or of which the Member Organization otherwise becomes aware.
- (3) **Member Organizations are empowered to, and shall, respond to and resolve reported allegations of abuse and misconduct using the Member Organization's internal existing policies and processes if the reported incidents do not rise to the level of the Center's exclusive jurisdiction. In each SafeSport allegation subject to USRowing's right, in its sole and absolute discretion, to assert jurisdiction over the SafeSport allegation at any time. Each Member Organization will submit its response and resolution to alleged violations of misconduct to USRowing through [this link](#) within 21 days of receiving notification of the alleged misconduct, unless a modified timeline is mutually agreed upon by USRowing and the Member Organization.**

- (4) Notification: Following USRowing’s receipt of an allegation involving SafeSport-related prohibited conduct, USRowing may consider the circumstances in which it will notify those parties or organizations with a need to know, so that the outcome can be properly effectuated and/or understood.
- (5) USRowing designates the Case Management Associate or in their absence, a member of the internal Safeguarding Team to respond to requests from the Center within 72 hours for the eligibility of a Participant, and the existence of USRowing-imposed temporary measures or safety plans.
- (6) Following the USRowing Athlete Safety Procedures for USRowing Event Organizers, USRowing prohibits individuals with outstanding sanctions from participating in any event, program, activity, or competition authorized by, or under the auspices of USRowing. Individuals who are subject to temporary measures, whether imposed by the Center or USRowing, may be strictly limited in their ability to participate in any event, program, activity, or competition authorized by, or under the auspices, of USRowing as expressly defined in their notice of temporary measures. Those that are not compliant with their training are prevented from participating.

RESPONDING TO ABUSE OR MISCONDUCT

USRowing will not enter into an investigation that undermines a pending legal investigation. This Policy addresses USRowing's disciplinary role where there is: (i) an allegation of misconduct, as defined in this Policy, which does not involve child abuse or sexual abuse, or (ii) an adverse employment determination by a local club for emotional, physical, or sexual misconduct as set forth in this Policy.

V. DISCIPLINARY RULES

On receipt of an allegation, USRowing will determine in its discretion the appropriate steps to address the conduct based on several factors, including (i) the age of the complainant, (ii) the age of the respondent, and (iii) the nature, scope, and extent of the allegations.

USRowing will address allegations against a staff member and/or volunteer under relevant organizational policies.

USRowing's disciplinary response will depend on the nature and seriousness of the incident, and in extreme cases, misconduct will result in summary dismissal. USRowing may undertake a formal investigation and hearing at its discretion. Before taking any disciplinary action, however, USRowing will offer the respondent an opportunity to be heard. If the respondent is a minor, USRowing will first contact his or her parents or guardians.

W. DISCIPLINARY ACTION

Sanctions for violations of the Policy will be proportionate and reasonable under the circumstances. USRowing may take the following disciplinary actions, without limitation:

- Inform the Respondent's direct supervisor, or, in the case of a minor, the minor's parent or guardian
- Provide the Respondent with guidance, redirection, and instruction
- File a formal incident report
- Orally issue a warning
- Issue a written warning
- Limit an individual's access to certain buildings, boathouses, competitions, or people
- Provide informed supervision, where at least one staff member is informed of the allegation and is instructed to supervise the respondent
- Engage in restorative and educational practices
- Suspend or terminate employment or membership
- Deem a Member Organization non-compliant and ineligible to participate in USRowing activities (hosted/sanctioned regattas, etc.)
- Rescind a Member Organization's current Member Organization Membership and/or deny Member Organization renewal rights
- Any other disciplinary action that USRowing reasonably deems necessary or appropriate under the circumstances.

X. ONGOING EMPLOYMENT & PARTICIPATION

Upon receipt of a credible and specific allegation of child abuse, serious misconduct, or any other violation of this Policy, USRowing may immediately suspend or terminate the Respondent's membership or employment as a means to ensure participant safety.

Y. COMPLAINANT PROTECTION

Regardless of outcome, USRowing will support the Complainant and his or her right to express concerns. USRowing will not encourage or tolerate attempts from any individual to retaliate, punish, or in any way harm any

individual who reports a concern in good faith. Any action to the contrary will be considered a violation of this Policy and grounds for disciplinary action by USRowing.

Z. BAD FAITH ALLEGATIONS

Any allegation of misconduct under this Policy that is determined to be frivolous, fraudulent, or otherwise made in bad faith, will be considered a violation of the Policy itself. Such reports may also be subject to criminal prosecution and/or civil proceedings.

INVESTIGATION & ADJUDICATION OF REPORTS OF ABUSE OR MISCONDUCT

AA. INVESTIGATIONS

As appropriate, and at its discretion, USRowing may institute formal investigations and hearings to address serious allegations of misconduct under this Policy. Such investigations will be undertaken to address only the most serious allegations and patterns of behavior that may warrant significant sanctions.

Where an investigation under this Policy is conducted by USRowing, the Respondent, Claimant, and/or accused shall have the right to:

- Receive written notice of the report or complaint, including a statement of the allegations (redacted as appropriate)
- A victims advocate and/or support person
- Present relevant information to the investigator(s)
- Legal counsel, at their own expense

The Director of Safeguarding is responsible for ensuring the response and resolution policy is being followed.

BB. HEARINGS

- (1) **Procedural Safeguards:** Any disciplinary hearing undertaken pursuant to this policy shall be conducted in accordance with USRowing's Grievance Procedures, found here. Any incurred costs do not apply to SafeSport complaint filings.
- (2) **Preliminary Determinations:** Where there is sufficient reliable and persuasive evidence to support the Complainant's allegations, USRowing's Executive Director may, at their discretion, make a preliminary determination on the merits of a complaint, prior to any disciplinary hearing.
- (3) **Notice:** The respondent will be notified of a specific date and time to ensure that they are available for the hearing. Unless the Grievance Panel (as defined in the Grievance Procedures) requires the individual to attend the hearing in person, the Respondent may appear by video conference or conference call. The respondent has the right to be represented by legal counsel at the hearing.
- (4) **Timing:** The Grievance Panel shall have the authority to set practical rules (e.g., timing and conduct) as it deems necessary. At the request of the respondent, and if necessary, to expedite the proceeding to resolve a matter relating to a scheduled training or competition, the Grievance Panel may render an expedited determination.
- (5) **Evidence:** At the hearing, the accused individual will be permitted to present any reasonable evidence or argument that he or she wishes the Grievance Panel to consider. The Grievance Panel may require or permit certain documentary evidence prior to the hearing, including the names of any witnesses. The Grievance Panel may also consider a Member Organization's employment determination as evidence to be considered.

- (a) If the complainant is a minor, the investigator's report may substitute for the minor witness' direct testimony, provided that the respondent had a bona fide opportunity to present and respond to relevant information collected during the investigation and before the report was transmitted to the Grievance Panel.
 - (b) The Grievance Panel may proceed in the respondent's absence if it cannot locate the individual, or if the individual declines to attend the hearing.
- (6) **Findings and Sanctions:** The Panel has the discretion to impose sanctions on the respondent if it finds, based on a preponderance of the evidence that emotional, physical, or sexual misconduct has occurred. The Panel will communicate its findings to the respondent. The Grievance Panel may impose sanctions on the respondent in its findings. Any sanctions imposed by the Grievance Panel against the individual must be proportionate and reasonable, relative to the content that is found to have occurred. The decision regarding the appropriate sanction shall be up to the panel deciding each complaint. In imposing a sanction, the Grievance Panel shall consider:
- (a) The legitimate interests of USRowing in providing a safe environment for its Participants
 - (b) The seriousness of the offense or act alleged
 - (c) The age of the accused individual and victim when the offense or act occurred
 - (d) Any information produced by the respondent, or produced on behalf of the respondent, regarding the respondent's rehabilitation and good conduct
 - (e) The effect on USRowing's reputation
 - (f) Whether the individual poses an ongoing concern for the safety of USRowing's athletes and participants
 - (g) Any other information, which in the determination of the Grievance Panel, bears on the appropriate sanction

Sanctions may range from a warning and a reprimand to suspension from sport involvement with USRowing for a period of time. Suspension from sport involvement with USRowing may be temporary or permanent. The most severe sanction possible to impose will be permanent suspension from sport involvement and expulsion from USRowing.

For the purposes of this Policy, a suspension from sport involvement shall mean that the respondent may not participate in any capacity or in any role in the business, events or activities of the relevant organization or its affiliated members for the duration of the period of suspension.

- (7) **Confidentiality:** The conduct of the hearing will be private. If the Grievance Panel determines that the individual has violated policy, it may publish its decision or a summary of its decision, unless the accused is a minor. However, if the individual appeals, the summary of the Panel's decision will not be disclosed until an appellate decision has been made. If the Panel determines the accused individual did not violate the relevant policy, the Grievance Panel will publish a summary only at the individual's written request.
- (8) **Appeal:** If the individual disagrees with the finding or sanction of the panel and wishes to appeal, they may file an appeal with the USRowing Board of Directors within 10 days of USRowing's finding. On appeal, the USRowing Board of Directors will address the merits of USRowing's decisions de novo, and not the process that was utilized. A decision rendered by the USRowing Board of Directors shall be final and binding on all parties.

BACKGROUND CHECKS

USRowing uses a background check process in support of its commitment to athlete safety. The USOPC also requires this process. **All Adult Participants who are in a position of authority over athletes of any age or Adult Participants who have Regular Contact with youth athletes (Applicable Adult) are required to complete a background check every two years and to annually complete the on-line SafeSport training course or SafeSport training refresher course, provided by the Center.** This includes employees, coaches, referees, full-time volunteers, board members, staff, administrators, other non-athlete members, and all other individuals authorized or nominated by USRowing to work with athletes or other sport participants while at a training site or competition event to which USRowing sends athletes. Additionally, USRowing's Member Organizations are required to perform background check requirements on their applicable adults.

USRowing contracts with third-party vendors to conduct background checks, including criminal background checks, on required individuals prior to their tenure for assistants, or personal care assistants who are funded, have a contractual obligation with, or are credentialed by USRowing. USRowing's background check search components comply with the search components identified in the USOPC's policy for all athletes and alternates, training partners, and guides 18 years of age or older who are selected by USRowing to participate in national or international team, or USOPC Delegation Events. USRowing requires criminal background checks for required individuals at its training sites, including all athletes and alternates, training partners, and guides 18 years of age or older that are selected by USRowing to train at any Olympic & Paralympic Training Center, USOPC High Performance Training Center, or Responsible Sport Organization Training Site. Background checks are also a requirement of USRowing applicable adults within an organizational membership.

Contracts with third-party vendors/contractors that are (a) in a position of authority over or (b) in regular contact with athletes must include the background check requirements set forth in this policy. The contracts shall also specify that certification must be provided by the vendor/contractor upon request by USRowing, to establish that the mandated background checks were conducted. When partnering with community organizations (i.e. YMCA, Boys and Girls Club) for events, USRowing shall ensure that the partnership agreement includes language regarding background check requirements. The agreements shall also specify that certification must be provided by the community organization upon request by USRowing, to establish that the mandated background checks were conducted.

- The applicable Adult Participants shall undergo a background check that complies with the Fair Credit Reporting Act. Through this background check, USRowing will utilize reasonable efforts to ascertain criminal history. This USRowing Background Check Policy assists USRowing in promoting the safety and welfare of its athletes.
- The background check must be completed before Regular Contact with any Minor, or upon beginning a new role subjecting the adult to this Policy.
- USRowing requires background checks in accordance with the USOPC Responsible Member Organization Policy. Background checks must be refreshed every two years.

CC. PROCESS

The Background Check Consent and Waiver Release Form must be submitted to USRowing's third-party background check vendor and the USRowing Designee must be cleared before he or she may perform services for USRowing. Upon submission of the Background Check Consent and Waiver Release Form, USRowing will request that its vendor perform the background check. As part of its background check, the vendor will run a full background screen that includes at least the following search components below.

DD. CRIMINAL HISTORY

Any background check that results in a report of a disposition or resolution of a criminal proceeding, other than an adjudication of not guilty, for any of the below criminal offenses will be subject to USRowing's policies and procedures to determine the individual's level of access and involvement:

- Any felony
- Any misdemeanor involving:

EE. FULL DISCLOSURE

Each Participant and prospective Participant has the affirmative duty to disclose his or her criminal history. Failing to disclose or intentionally misrepresenting an arrest, plea, or conviction is grounds for Participant status revocation or restriction, regardless of when the offense is discovered. Participants have the ongoing duty to disclose criminal history. Participants need not disclose arrest in which charges are not filed, charges are dismissed, or the Participant is acquitted; however, Participants are required to disclose non-convictions involving deferred sentences, deferred adjudications, or other similar dispositions as well as accusations, arrests, indictments, or convictions of a criminal offense set out above or a criminal offense against a child.

- If a prospective Participant has been or (1) is accused, (2) arrested, (3) charged, (4) indicted, (5) has an adjudication other than not guilty, or (5) is convicted of any offense identified above during the application process, he is required to disclose such information immediately.

- Any Participant or prospective Participant who has been banned by another NGB, another sport organization, or the Center has an affirmative duty to disclose such information immediately to the USRowing Safeguarding Team.

FF. FINDINGS

USRowing's criminal background check report will return a "red light" or "green light" finding. A green light finding means that the background check vendor located no records that would disqualify the individual. A green light score, however, is not a certification of safety or permission to bypass/ ignore other screening efforts. Other disqualifying factors may exist and can be revealed through other means. A red light finding means the criminal background check revealed criminal records that suggest the individual does not meet the criteria and is not suitable for Participant status. Individuals who are subject to disqualification under a red light finding may challenge the accuracy of the information reported by the criminal background check vendor.

GG. APPEALS TO BACKGROUND CHECK VENDOR

Any disqualified individual has the right to dispute the findings of the criminal background check directly with the criminal background check vendor. A disqualified individual may not appeal the automatic disqualification or the results of the findings of the criminal background check vendor to USRowing. USRowing is required by this Policy to accept the findings of the criminal background check vendor. Individuals disqualified are excluded from participation in any USRowing licensed competition and USRowing sanctioned events and/or activities as a Participant unless an exemption is granted in accordance with the exemption request process below.

HH. EXEMPTION REQUESTS TO USROWING

Any disqualified individual has the right to seek an exemption from the USRowing Ethics and Governance Committee. The individual shall, within 30 days from the date he or she was notified of disqualification, file a written appeal to the Chief Executive Officer of USRowing to demonstrate that the conviction or charge does not violate the spirit of SafeSport and that he or she poses no risk to the sport.

Within 30 days of the receipt of the appeal being submitted, a hearing panel will be assembled to hear the appeal. The Ethics and Governance Committee Chair shall appoint three members of that Committee to serve as the group which will hear the appeal (the "**Hearing Panel**"). The Chair of the Ethics Committee may appoint himself/herself to the Hearing Panel. The appointment of the three-member Hearing Panel will include the designation of a Chair of the Panel. An athlete member of the Ethics Committee will be included on the Hearing Panel.

The Hearing Panel shall decide the appeal with majority vote. The Panel may choose to uphold the "red light" determination from the third-party provider, or, if warranted by the circumstances may overturn the decision and

render a “green light” for the background check. In the case of an overturned “red light,” the membership record will be noted as such and will be subject to continuous review. Any decision rendered by the Hearing Panel is considered final and binding on all parties.

Jurisdiction

In limited circumstances, the USOPC may elect, in its sole and absolute discretion, to refer the incident and jurisdiction thereof to USRowing.

Applicable Policies and Procedures

The USOPC Athlete Safety Policy shall apply and will govern the response and resolution of any allegation for which the USOPC asserts jurisdiction. In instances when the USOPC declines jurisdiction, USRowing shall be responsible for the response and resolution of the allegation according to its own policies and procedures.

Interference/ Restrictions/Enforcement

USRowing shall not interfere or attempt to influence the outcome of any Prohibited Conduct investigation regardless of jurisdiction. USRowing prohibits any individual who is an employee, agent, or contractor, from assisting a member or former member in obtaining a new job (except the routine transmission of administrative and personnel files) if the individual knows that such member or former member violated the policies or procedures of the Center related to sexual misconduct or was convicted of a crime involving sexual misconduct with a minor.
