I. Introduction: US Sailing Athlete Safety Handbook

US Sailing is committed to providing a healthy and positive environment free from abuse for all our members and the sailing community in the United States. US Sailing's Athlete Safety program is a partnership with the U.S. Center for SafeSport (hereinafter referred to as the U.S. Center for SafeSport or "the Center") and incorporates the Center's comprehensive program of abuse prevention, including participant training and education, required prevention policies and best practice guidelines, and mandatory reporting requirements for adults. These measures are informed by experts in the field of child safety and are among the strongest safeguards found in youth-serving organizations.

What is the U.S. Center for SafeSport?

Established in 2017, the Center is the independent and exclusive authority directed by Congress to prevent and respond to all forms of abuse and misconduct within the U.S. Olympic and Paralympic Movement. The Center is an independent, nonprofit 501(c)(3) organization headquartered in Denver, Colorado.

The Center receives, investigates, and responds to reports of abuse and misconduct from individuals affiliated with the U.S. Olympic and Paralympic Committee (USOPC) and its National Governing Bodies (NGBs). The Center ensures that the USOPC and NGBs properly apply policies and procedures to govern abuse prevention and maintains a database of individuals sanctioned from participation in their sport.

Throughout the Olympic and Paralympic Movement, the Center trains athletes, parents, coaches, volunteers, and organizations at all levels on best practices and principles for preventing abuse in sport settings. In doing so, the Center advances its mission of making athlete well-being the center of our nation's sports culture through abuse prevention, education, and accountability.

What is the SafeSport Code?

The [SafeSport Code](#) establishes consistent standards of response and resolution to abuse and misconduct claims across the U.S. Olympic and Paralympic Movement. The USOPC, NGBs, and LAOs must comply, in all respects, with these policies and procedures as defined by the Code. All participants of these organizations are responsible for adhering to and understanding

the Code.

What is the MAAPP?

The Center’s Minor Athlete Abuse Prevention Policies (“MAAPP”) is a collection of proactive prevention and training policies for the U.S. Olympic & Paralympic Movement. It has three primary components:

1. An Education and Training Policy,
2. Required Prevention Policies, and
3. Recommended Prevention Policies.

The Center developed the MAAPP to assist National Governing Bodies, Paralympic Sport Organizations, Local Affiliated Organizations, the U.S. Olympic and Paralympic Committee, and other individuals to whom these policies apply in meeting their obligations under federal law.

Reporting Abuse and Misconduct.

The Center accepts all reports of sexual abuse and child abuse within the U.S. Olympic and Paralympic Movement. [Report here](#) if you have reasonable suspicion of sexual misconduct or harassment, child abuse (including child sexual abuse), or intimate relationships involving an imbalance of power.

The Center may also accept reports of emotional and physical misconduct (including but not limited to bullying, hazing, stalking, and harassment) within the U.S. Olympic and Paralympic Movement. Reports of emotional and physical misconduct can also be reported directly to your sport’s national governing body (NGB).

Please review Section VIII of this Handbook closely for further direction on reporting known or suspected abuse and misconduct.

6. US Sailing will treat all allegations of abuse or concerns regarding athlete safety seriously and will respond as prescribed by US Sailing policies, Bylaws and

Regulations, and standards and requirements of the Center.

II. Terminology

Adult Participant: Any adult (18 years of age or older) who is:

- a. A member or license holder of US Sailing or a LAO;
- b. An employee or board member of US Sailing or a LAO;
- c. Within the governance or disciplinary jurisdiction of US Sailing or a LAO;
- d. Authorized, approved, or appointed by US Sailing or a LAO to have regular contact with or authority over Minor Athletes.¹

Adult Participant Personal Care Assistant: An Adult Participant who assists an athlete requiring help with activities of daily living (ADL) and preparation for athletic participation. This support can be provided by a Guide for Blind or visually impaired athletes or can include assistance with transfer, dressing, showering, medication administration, and toileting. Personal Care Assistants are different for every athlete and should be individualized to fit their specific needs. When assisting a Minor Athlete, Adult Participant PCAs must be authorized by the athlete's parent/guardian.

Amateur Athlete: An athlete who meets the eligibility standards established by the National Governing Body or paralympic sports organization for the sport in which the athlete competes.

Authority: When one person's position over another person is such that, based on the totality of the circumstances, they have the power or right to direct, control, give orders to, or make decisions for that person. Also see the [Power Imbalance definition in the SafeSport Code](#). *NOTE: US Sailing has provided a complete list of individuals in the sailing community who have "Regular Contact" and/or "Authority" over Minor Athletes. Please see US Sailing's "Regular Contact" and "Authority" chart under Section III(F).*

The Center: The U.S. Center for SafeSport, the independent national organization authorized by the United States Congress with exclusive oversight of abuse prevention and investigation within the Olympic sport movement in the United States.

Close-in-Age Exception: An exception applicable to certain policies when an Adult Participant does not have authority over a Minor Athlete *and* is not more than four years older than the Minor Athlete (e.g., a 19-year-old and a 16-year-old). Note: this exception *only* applies within the prevention policies and *not* regarding conduct defined in the SafeSport Code.

Dual Relationships: An exception applicable to certain policies when an Adult Participant has a dual role or relationship with a Minor Athlete and the Minor Athlete's parent/guardian has provided written consent at least annually authorizing the exception. Examples of Dual

¹ This may include volunteers, medical staff, trainers, chaperones, monitors, contract personnel, bus/van drivers, officials, adult athletes, staff, board members, and any other individual who meets the Adult Participant definition.

Relationships include but are not limited to family members, mental health professionals, teachers, medical professionals, and family friends.

In-Program Contact: Any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete(s) related to participation in sport.

Examples of In-Program Contact include, but are not limited to: competition, practices, camps/clinics, training/instructional sessions, pre/post game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

LAO (“Local Affiliated Organization”): A regional, state, or local club or organization that is directly affiliated with US Sailing or that is affiliated with US Sailing by its direct affiliation with a regional or state affiliate of US Sailing.

MAAPP: Minor Athlete Abuse Prevention Policies

Minor Athlete: An Amateur Athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of, US Sailing or a LAO.

Partial or Full Jurisdiction: Includes any sanctioned event (including all travel and lodging in connection with the event) by US Sailing or a LAO, or any facility that US Sailing or a LAO owns, leases, or rents for practice, training or competition.

National Governing Body (NGB): A U.S. Olympic National Governing Body, Pan American Sport Organization, or Paralympic Sport Organization recognized by the U.S. Olympic & Paralympic Committee pursuant to the Ted Stevens Olympic and Amateur Sports Act, 36 U.S.C. §§ 220501, et seq. This definition shall also apply to the USOPC, or other sports entity approved by the USOPC, when they have assumed responsibility for the management or governance of a sport included on the program of the Olympic, Paralympic, or Pan-American Games.

Paralympic Sport Organization (PSO): An amateur sports organization recognized and certified as an NGB by the USOPC.

Regular Contact: Ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s). *NOTE: US Sailing has provided a list of categories of Adult Participants in the sailing community who have “Regular Contact” and/or “Authority” over Minor Athletes. Please see US Sailing’s “Regular Contact” and “Authority” chart under Section III(F).*

Residential Environment: A place in which participants live or stay temporarily. Residential environments include, but are not limited to, onsite housing at training facilities, billeting, hotel stays, or rentals (i.e., Airbnb, VRBO, HomeToGo, etc.).

Billeting: A residential environment facilitated by an Adult Participant, NGB, LAO, the USOPC, or sanctioned event staff in which a Minor Athlete is temporarily housed in a private home with an adult or family who is not related to or known by the Minor Athlete. This lodging arrangement is in conjunction with an activity related to sport.

SafeSport Trained Core Course (“SafeSport Trained Core”): The Center’s comprehensive abuse prevention training course. The SafeSport Trained Core is available free of charge for all Adult Participants under the MAAPP.

U.S. Olympic & Paralympic Committee (USOPC): A federally chartered nonprofit corporation that serves as the National Olympic Committee and National Paralympic Committee for the United States.

III. Education and Training Policy

A. Mandatory Child Abuse Prevention Training for Adult Participants

1. Adult Participants Required to Complete Training
 - a. The following Adult Participants must complete the *SafeSport Trained Core* either through the Center's online training or the Center's approved, in-person training:
 - i. Adult Participants who have **regular contact** with any amateur athlete(s) who is a minor (see table under subsection F);
 - ii. Adult Participants who have **authority** over any amateur athlete(s) who is a minor (see table under subsection F);
 - iii. Adult Participants who are an employee or board member of US Sailing or a LAO.
 - b. Adult Participants who are medical providers required to take training under Section (a) can take the Health Professionals Course in lieu of the *SafeSport Trained Core* Course.

PLEASE SEE SUBSECTION F BELOW FOR A COMPLETE LIST OF INDIVIDUALS WHO ARE REQUIRED TO COMPLETE SAFESPORT TRAINED CORE.

2. Timing of Training. Adult Participants must complete this training before regular contact with an amateur athlete who is a minor begins or within the first 45 days of either initial membership or upon beginning a new role subjecting the adult to this policy, whichever comes first.
3. Refresher Training. The above listed Adult Participants must complete a refresher course on an annual basis, beginning the calendar year after completing the *SafeSport Trained Core*. Every four years, Adult Participants will complete the *SafeSport Trained Core* training. Medical providers can take the Health Professionals Course in lieu of the *SafeSport Trained Core* and are required to take the refresher courses on an annual basis if they meet the criteria for A(1).

B. Minor Athlete Training Must Be Offered

1. US Sailing and LAOs, on an annual basis, must offer and, subject to parental consent, give training to Minor Athletes on the prevention and reporting of child abuse.
2. The Center offers youth courses, located at safesporttrained.org that meet this requirement.

C. Parent Training Must Be Offered

1. US Sailing and LAOs, on an annual basis, must offer training to parents on the prevention

and reporting of child abuse.

2. The Center offers a parent course, located at safesporttrained.org, that meets this requirement.

D. Optional Training

1. Adult Participants serving in a volunteer capacity, who will not have regular contact with or authority over Minor Athletes, should take the Center's brief Volunteer Course (or *SafeSport Trained Core*) before engaging or interacting with any Minor Athlete(s).
2. US Sailing and LAOs may provide training *in addition to* the *SafeSport Trained Core*, although they cannot refer to this training as "SafeSport" training. **Training other than the *SafeSport Trained Core* or Refresher does not satisfy this policy.**
3. Parents of Minor Athletes are provided free online access to the Center's parent course and are encouraged to take the training.

E. Exemptions and Accommodations

The Center's online training courses contain information about various forms of abuse. The courses do not include graphic descriptions of abuse or show violent images or video. The content may be uncomfortable or trigger trauma for some participants.

1. Exemptions to the online training requirement may be requested by survivors of abuse and misconduct. Survivors of abuse can request an exemption by contacting US Sailing or can choose to contact the Center directly to request an exemption at exemptions@safesport.org. All exemptions granted by the Center or US Sailing in this category are considered indefinite and do not need to be re-requested every year.
2. Exemptions to the online training requirement for reasons other than survivor of abuse and misconduct are limited to cognitive or physical disability or language barrier. Requests for these exemptions must be made by the individual to US Sailing. US Sailing will determine whether to grant the exemption. If US Sailing grants the exemption, it must track the exemption to ensure it is appropriately applied to the individual's membership status. US Sailing must preserve documentation that the exemption was granted and for what duration.
3. The Center has several options available to assist individuals in completing the online training courses, including screen reader-compatible versions and course availability in several languages, including English, Spanish, French, Mandarin, Russian, German, and Japanese. If none of the available options will fit the individual's needs, US Sailing may determine whether to grant an exemption.

IV. Required Policies For One-On-One Interactions

The U.S. Center for SafeSport recognizes that youth-adult relationships can be healthy and valuable for development. Policies on one-on-one interactions protect children while allowing for these beneficial relationships. As child sexual abuse is often perpetrated in isolated, one-on-one situations, it is critical that organizations limit such interactions between youth and adults and implement programs that reduce the risk of sexual abuse.

All one-on-one In-Program Contact between an Adult Participant and a Minor Athlete must be *observable and interruptible*, except in emergency circumstances or with a documented exception.

1. EXCEPTIONS

There are certain relationships and situations in which one-on-one interactions may be allowed or necessary. This section identifies policy exceptions for close-in-age relationships, Personal Care Assistants, dual relationships, and emergencies.

The following exceptions are applicable within all Required Prevention Policies unless otherwise noted.

A. Mandatory Components

1. A Close-in-Age Exception

The purpose of this exception is to allow for continued relationships among athletes on the same team.

This exception allows for one-on-one In-Program Contact between an Adult Participant and a Minor Athlete if:

- a. The Adult Participant has **no** authority over the Minor Athlete; and
- b. The Adult Participant is not more than 4 years older (determined by birth date) than the Minor Athlete.

Note: This exception is different than the close-in-age exception in the [SafeSport Code](#) pertaining to misconduct.

2. Exceptions for Adult Participant Personal Care Assistants Working with a Minor Athlete

This exception exists for Adult Participants who also assist an athlete with activities of daily living and preparation for athletic participation.

This exception allows for one-on-one In-Program Contact between an Adult Participant and a Minor Athlete if the following requirements are met:

- (i) the Minor Athlete's parent/guardian has provided written consent to US Sailing or an LAO (as applicable) for the Adult Participant Personal Care Assistant to work with the Minor Athlete; and
- (ii) the Adult Participant Personal Care Assistant has complied with the Education & Training Policy; and
- (iii) the Adult Participant Personal Care Assistant has complied with US Sailing's or an LAO's screening policy.

3. Exceptions for Dual Relationships

This exception allows for one-on-one In-Program Contact when the Adult Participant has a relationship with a Minor Athlete that is outside of the sport program. The exception requires written consent of the Minor Athlete's parent/guardian at least annually. The consent must identify for which Required Prevention Policies the parent/guardian is allowing the one-on-one In-Program Contact.

4. Emergency Exception

This exception applies to all Required Prevention Policies for situations where an Adult Participant must violate requirement(s) of the MAAPP due to an emergency. Adult Participants must carefully consider whether specific circumstances meet the threshold of "emergency." Adult Participants should document emergency situations in accordance with applicable US Sailing or LAO protocols.

The Center recommends parents take training on child abuse prevention before providing consent to the above exceptions. The Center offers a free Parent Course at safesporttrained.org.

2. MODEL POLICY: MEETINGS

Sexual abuse often happens when children are alone with their abusers. This section provides policies for meetings to limit one-on-one interactions between children and adults, including mental health care professionals and licensed health care providers.

A. Mandatory Components

1. Observable and Interruptible. Adult Participants must ensure that all In-Program meetings with Minor Athletes be observable and interruptible, unless an exception exists.
2. Meetings with licensed mental health care professionals and health care providers (other than athletic trainers²)

If a licensed mental health care professional, licensed health care provider, or a student under the supervision of a licensed mental health care professional or licensed health care provider, meets one-on-one with a Minor Athlete at a sanctioned event or a facility which is partially or fully under US Sailing’s or an LAO’s jurisdiction, the meeting must be observable and interruptible except:

- a. If the door remains unlocked; and
- b. Another adult is present at the facility and notified that a meeting is occurring, although the Minor Athlete’s identity needs not be disclosed; and
- c. US Sailing or an LAO (as applicable) is notified that the professional or provider will be meeting with a Minor Athlete; and,
- d. The professional or provider obtains consent consistent with applicable laws and ethical standards, which can be withdrawn at any time.

B. Recommended Components

Parent Training

Parents/guardians receive the U.S. Center for SafeSport’s education and training on child abuse prevention before providing consent for their Minor Athlete to have a meeting or training session with an Adult Participant subject to these policies.

² Athletic trainers who are covered under these policies must follow the “**Manual Theory and Therapeutic and Recovery Modalities**” policy.

3. MODEL POLICY: INDIVIDUAL TRAINING SESSIONS

Some abusers will single out athletes for special one-on-one instruction. This kind of isolation provides opportunities for abuse to occur. This section establishes rules for individual training sessions to protect youth athletes from uncomfortable or unsafe situations.

A. Mandatory Components

1. Observable and Interruptible

Adult Participants must ensure all In-Program individual training sessions with a Minor Athlete be observable and interruptible unless an exception exists.

2. Consent

The Adult Participant providing the individual training session must receive advance, written consent from the Minor Athlete's parent/guardian at least annually, which can be withdrawn at any time; and

3. Parent Observation

Parents/guardians must be allowed to observe the individual training session.

B. Recommended Components

1. Monitoring

If a permitted meeting or training session takes place between an Adult Participant(s) and a Minor Athlete(s) at a facility partially or fully under US Sailing's or an LAO's jurisdiction, another Adult Participant will monitor each meeting or training session. Monitoring includes reviewing the parent/guardian consent form, knowing that the meeting or training session is occurring, knowing the approximate planned duration of the meeting or training session, and dropping in on the meeting or training session.

2. Parent Training

Parents/guardians receive the U.S. Center for SafeSport's education and training on child abuse prevention before providing consent for their Minor Athlete to have a meeting or training session with an Adult Participant subject to these policies.

4. MODEL POLICY: MANUAL THERAPY AND THERAPEUTIC AND RECOVERY MODALITIES³

Many athletes require therapies to prevent or treat injuries. However, these treatment sessions can place children in vulnerable positions, especially if they involve physical contact with adults. This section establishes standards for therapeutic and recovery modalities and manual therapy to reduce the risk of inappropriate contact between youth and adults.

A. Mandatory Components

Note: Only the emergency exception applies within this policy.

1. Observable and Interruptible

Adult Participants must ensure that all In-Program Contact during manual therapy and therapeutic modalities and recovery modalities with Minor Athletes must be observable and interruptible.

2. Manual Therapy and Therapeutic and Recovery Modalities Requirements

Adult Participants must ensure all In-Program manual therapy and therapeutic and recovery modalities meet the following requirements:

- a. Have another Adult Participant physically present for the modality or manual therapy; and
- b. Have documented consent as explained in subsection (4) below; and
- c. Be performed with the Minor Athlete fully or partially clothed, ensuring that the breasts, buttocks, groin, or genitals are always covered; and
- d. Allow parents/guardians in the room as an observer, except for competition or training venues that limit credentialing; and
- e. The provider must narrate the steps in the modality before taking them, seeking assent of the Minor Athlete throughout the process.

3. Consent

- a. Providers of manual therapy, therapeutic modalities, or recovery modalities for US Sailing or an LAO, when applicable, must obtain consent at least annually from Minor Athletes' parents/guardians before providing any manual therapy, therapeutic modalities, or recovery modalities.
- b. Minor Athletes or their parents/guardians can withdraw consent at any time.

B. Recommended Components

³ Manual therapy and therapeutic and recovery modalities can be different for each sport. They can include, but are not limited to: first aid, massage, taping, cupping, stretching, cryotherapy, neuromuscular stimulations, electrical stimulation, or other modalities within the scope of a Healthcare Provider's credentials.

1. Parent Training

Parents/guardians receive the U.S. Center for SafeSport education and training on child abuse prevention before providing consent for their Minor Athlete to receive a manual therapy, therapeutic modality, or recovery modality.

2. When possible, techniques should be used to reduce physical touch of Minor Athletes.
3. Only licensed providers should administer manual therapy, therapeutic modalities, or recovery modalities.
4. Coaches, regardless of whether they are licensed massage therapists, should not massage Minor Athletes.

5. MODEL POLICY: LOCKER ROOMS AND CHANGING AREAS

Young athletes may be especially vulnerable to abuse in changing areas where they are undressing and possibly showering. Appropriate monitoring is necessary in these areas to prevent abuse and other inappropriate conduct. This section outlines policies for locker rooms and changing areas to ensure privacy and safety.

A. Mandatory Components

1. Observable and Interruptible

Adult Participants must ensure that all In-Program Contact with Minor Athlete(s) in a locker room, changing area, or similar space where Minor Athlete(s) are present is observable and interruptible, unless an exception exists.

2. Conduct in Locker Rooms, Changing Areas, and Similar Spaces

- a. No Adult Participant or Minor Athlete can use the photographic or recording capabilities of any device in locker rooms, changing areas, or any other area designated as a place for changing clothes or undressing.
- b. Adult Participants must not remove their clothes or behave in a manner that intentionally or recklessly exposes their breasts, buttocks, groin, or genitals to a Minor Athlete in a locker room or changing area.
- c. Adult Participants must not shower with Minor Athletes unless:
 - i. The Adult Participant meets the Close-in-Age Exception; or
 - ii. The shower is part of a pre- or post-activity rinse while wearing swimwear.
- d. Parents/guardians may request in writing that their Minor Athlete(s) not change or shower with Adult Participant(s) during In-Program Contact. US Sailing, LAOs, and the Adult Participant(s) must abide by this request.

3. Media and Championship Celebrations in Locker Rooms

US Sailing and LAOs may permit recording or photography in locker rooms for the purpose of highlighting a sport or athletic accomplishment if:

- a. Parent/legal guardian consent has been obtained; and
- b. US Sailing or an LAO approves the specific instance of recording or photography; and
- c. Two or more Adult Participants are present; and
- d. Everyone is fully clothed.

4. Personal Care Assistants

Adult Participant Personal Care Assistants are permitted to be with and assist Minor Athlete(s) in locker rooms, changing areas, and similar spaces where other Minor Athletes are present, if they meet the requirements detailed on page 14.

5. Availability and Monitoring of Locker Rooms, Changing Areas, and Similar Spaces

- a. US Sailing and LAOs must provide a private or semi-private place for Minor Athletes that need to change clothes or undress at sanctioned events or facilities partially or fully under US Sailing's or an LAO's jurisdiction.
- b. US Sailing and LAOs must monitor the use of locker rooms, changing areas, and similar spaces to ensure compliance with these policies at sanctioned events or facilities partially or fully under US Sailing's or an LAO's jurisdiction.

6. MODEL POLICY: ELECTRONIC COMMUNICATIONS⁴

Technology has made it easier for teams to communicate and share information. Unfortunately, it also makes it easier for abusers to contact children without supervision or share inappropriate images and video. This section sets standards for appropriate electronic communications between youth and adults.

A. Mandatory Components

1. Open and Transparent

- a. All one-on-one electronic communications between an Adult Participant and a Minor Athlete must be Open and Transparent, unless an exception exists.
- b. “Open and Transparent” means that the Adult Participant copies or includes the Minor Athlete’s parent/guardian, another adult family member of the Minor Athlete, or another Adult Participant on every communication.
 - If a Minor Athlete communicates with the Adult Participant first, the Adult Participant must follow this policy if the Adult Participant responds.
- c. Only platforms that allow for Open and Transparent communication may be used to communicate with Minor Athletes.

2. Team Communication

When an Adult Participant communicates electronically to the entire team or any number of Minor Athletes on the team, the Adult Participant must copy or include the Minor Athletes’ parents/guardians, another adult family member of the Minor Athletes, or another Adult Participant.

3. Content

All electronic communication originating from an Adult Participant(s) to a Minor Athlete(s) must be professional in nature unless an exception exists.

4. Requests to Discontinue

Parents/guardians may request in writing that US Sailing, an LAO, or an Adult Participant not contact their Minor Athlete through any form of electronic communication. US Sailing and the LAO (as applicable) and the Adult Participant must abide by any request to discontinue, absent emergency circumstances.

B. Recommended Components

⁴ Electronic communications include, but are not limited to: email, phone calls, videoconferencing, video coaching, texting, social media, or through any other electronic medium.

1. Hours

Electronic communications should generally be sent only between the hours of 8:00 a.m. and 8:00 p.m. local time for the location of the Minor Athlete.

2. Social Media Connections

Adult Participants, except those with a Dual Relationship or who meet the Close-in-Age Exception, are not permitted to have private social media connections with Minor Athletes and should discontinue existing social media connections with Minor Athletes.

7. MODEL POLICY: TRANSPORTATION

Athletes are often carpooling or traveling without the supervision of their parent/guardian to practices and competitions. This can place them in vulnerable positions where they are susceptible to abuse. This section establishes policies for adults transporting children to or from sport activities.

A. Mandatory Components

1. Observable and Interruptible

Adult participants must ensure that all In-Program Contact during transportation is observable and interruptible unless an exception exists or:

- a. The Adult Participant has advanced, written consent to transport the Minor Athlete one-on-one, obtained at least annually from the Minor Athlete's parent/guardian. Minor Athlete(s) or their parent/guardian can withdraw consent at any time.
- b. The Adult Participant is accompanied by another Adult Participant or at least two minors who are at least 8 years of age.

2. Additional Requirements for Transportation Authorized or Funded by US Sailing or an LAO

- a. Written consent from a Minor Athlete's parent/guardian is required for all transportation authorized or funded by US Sailing or an LAO at least annually.
- b. Minor Athlete(s) or their parent/guardian can withdraw consent at any time.

B. Recommended Components

1. Shared or Carpool Travel Arrangement

US Sailing and LAOs encourage parents/guardians to pick up their Minor Athlete first and drop off their Minor Athlete last in any shared or carpool travel arrangement.

2. Parent Training

Parents/guardians receive the U.S. Center for SafeSport education and training on child abuse prevention before providing consent for their Minor Athlete to travel one-on-one with an Adult Participant.

8. MODEL POLICY: LODGING AND RESIDENTIAL ENVIRONMENTS

Youth athletes traveling overnight face greater risk of sexual abuse if they are traveling without their parent/guardian. Abusers can take advantage of the situation by trying to have unsupervised time alone with children. This section sets rules for sleeping arrangements and room monitoring to protect athletes during overnight travel.

A. Mandatory Components

1. Observable and Interruptible

All In-Program Contact during lodging must be observable and interruptible unless an exception exists. Lodging arrangements covered under this policy include, but are not limited to, hotel stays, rentals (i.e., Airbnb, VRBO, HomeToGo, etc.), and long-term Residential Environments, including lodging at training sites and billeting.

2. Hotel Rooms and Other Sleeping Arrangements

- a. An Adult Participant cannot share a hotel room or otherwise sleep in the same room with a Minor Athlete(s), unless an exception exists **and** the Minor Athlete's parent/guardian has provided US Sailing or an LAO, and the Adult Participant, with advance, written consent for each specific lodging arrangement.
- b. Written consent from a Minor Athlete's parent/guardian must be obtained for all In-Program lodging at least annually.
- c. Minor Athlete(s) or their parent/guardian can withdraw consent at any time.

3. Monitoring or Room Checks During In-Program Travel

If US Sailing or an LAO performs room checks during In-Program lodging, the one-on-one interaction policy must be followed and at least two adults must be present for the room checks.

4. Additional Requirements for Lodging Authorized or Funded by US Sailing and LAOs

Adult Participants that travel overnight with Minor Athlete(s) are assumed to have Authority over Minor Athlete(s) and thus must comply with the Education and Training policy outlined in Part II, unless the Adult Participant meets the Close-in-Age exception.

B. Recommended Components

Parent Training

Parents/guardians receive the U.S. Center for SafeSport's education and training on child abuse prevention before providing consent for lodging arrangements under this policy.

V. Organizational Requirements for Education and Training and Prevention Policies

US SAILING MUST IMPLEMENT PROACTIVE POLICIEES DESIGNED TO PREVENT ABUSE. THESE ORGANIZATIONAL REQUIREMENTS ARE DESCRIBED BELOW

A. Organizational Requirements for Education & Training

1. US Sailing must track whether Adult Participants under its jurisdiction complete the required training listed in Section III.
2. US Sailing and LAOs must, on an annual basis, offer and, subject to parental consent, give training to Minor Athletes on the prevention and reporting of child abuse.
 - a. For training to Minor Athletes, the US Sailing must track a description of the training and how the training was offered and provided to Minor Athletes.
 - b. US Sailing is not required to track individual course completions of Minor Athletes.
3. US Sailing and LAOs must, on an annual basis, offer training to parents on the prevention and reporting of child abuse.

B. Required Prevention Policies and Implementation

1. US Sailing must develop minor athlete abuse prevention policies that contain the mandatory components in Section IV. These model policies cover:
 - a. One-on-one interactions
 - b. Meetings and training sessions
 - c. Athletic training modalities, massages, and rubdowns
 - d. Locker rooms and changing areas
 - e. Electronic communications
 - f. Transportation
 - g. Lodging
2. The policies must be approved by the Center as described in subsection (C) below. The policies may include the recommended components in Section IV and the recommended policies in Section IV. Given the uniqueness of each sport, however, some recommended components or policies may not be feasible or appropriate. US Sailing and LAOs may choose to implement stricter standards than the model policies.
3. US Sailing must also require that its LAOs implement these policies within each LAO.

4. US Sailing and LAOs must implement these policies for all In-Program Contact.
 - a. At sanctioned events and facilities partially or fully under its jurisdiction, US Sailing and LAOs must take steps to ensure the policies are implemented and followed.
 - b. For In-Program Contact that occurs outside US Sailing or a LAO's sanctioned event or facilities, implementing these policies means:
 - a. Communicating the policies to individuals under its jurisdiction;
 - b. Establishing a reporting mechanism for violations of the policies;
 - c. Investigating and enforcing violations of the policies.
5. US Sailing and LAOs must have a reporting mechanism to accept reports that an Adult Participant is violating US Sailing LAO MAAPP requirements. US Sailing LAO must appropriately investigate and resolve any reports received, unless the violation is reported to the Center and it exercises jurisdiction over the report. This requirement is in addition to requirements to report abuse under the SafeSport Code.

C. Policy Approval and Submission Process

1. US Sailing may adopt the MAAPP as-is or adapt it to fit their needs. Regardless, US Sailing must submit its policies to the Center at compliance@safesport.org for review and approval by April 1, 2024. The Center will approve, approve with modifications, or deny the policies. If the Center denies the proposed policy, the mandatory components of Section IV become the default policy until the Center approves the policy.
2. US Sailing must require its LAOs to incorporate the mandatory components of Section IV. US Sailing may require its LAOs implement US Sailing policies, which may be more stringent than the policies in Section IV.
3. The mandatory components of Section IV will serve as the default policy for any LAO that fails to develop its own policy as required by this section.

X. US Sailing Event Quality Control System Policy

A. This Quality Control System is a written policy required by the U.S. Center for SafeSport (the “Center”) for all US Sailing championship events where youth sailors will be competing. This policy ensures the following:

1. That all policies and procedures contained in the Center’s Minor Athlete Abuse Prevention Policies (“MAAPP”) will be followed at an Event. The MAAPP consists of the following:
 - a. Mandatory SafeSport Training for all adult Event Participants and adult Competitors who have regular contact with or authority over minor athletes at an Event, and
 - b. Mandatory one-on-one abuse prevention policies applicable to all adult Event Participants and adult Competitors at an Event.
 - c. Mandatory reporting of known, suspected, or alleged child abuse or other violations of the MAAPP or SafeSport Code.
2. That all mandatory SafeSport policies and procedures will be communicated to Event Participants and Competitors prior to the Event.
3. That all adult Event Participants and adult Competitors at an Event who are required to complete the Center’s mandatory SafeSport training have done so prior to participating at an Event.
4. That no Event Participant or Competitor at an Event is included on the Organization Exclusion List or Jurisdictional Hold List.

B. Definitions

1. **Competitor(s):** An individual who is registered to compete in a US Sailing Championship event.
2. **Event:** Any US Sailing Championship event, or qualifier for a US Sailing Championship event, where minor sailors will compete.
3. **Event Participant:** All coaches, medical staff, officials, organizers, vendors, media members, and volunteers who are registered or credentialed to work at an Event.
4. **Organization Exclusion List:** A database of individuals whose status (banned, suspended, or jurisdictional hold) has been formally communicated to US Sailing by the Center, as well as any individuals banned or suspended through US Sailing’s own judicial process.
5. **SafeSport Training:** The SafeSport Trained Core course and any applicable Refresher courses.

C. Quality Control System Policy

1. Event Access Requirements
 - a. **Rule:** All adult Event Participants and adult Competitors who have (a) regular contact with or (b) authority over minor Competitors at an Event must complete the U.S. Center for SafeSport’s mandatory SafeSport Training prior to the start of competition at an Event. This list shall include the following:
 1. Event Chairs,

2. Coaches,
 3. Race Officials, Judges, and Umpires,
 4. Adult Competitors who have regular contact with or authority over minor athletes⁶,
 5. Other event officials or volunteers who are determined by US Sailing to have regular contact with or authority over minor athletes.
- b. **Identification of Event Participants and Competitors required to complete mandatory SafeSport Training.** Prior to the Event, US Sailing staff will identify all adult Event Participants and adult Competitors who have regular contact with and/or authority over minor athletes and are required to complete the Center’s mandatory SafeSport Training. US Sailing will use the below table to establish the list of adult Event Participants and adult Competitors who have regular contact with or authority over minor athletes at an Event who will be required to complete SafeSport Training prior to the Event.
- c. **Verification of SafeSport Training: Competitors.** Events generally have deadlines for registration that are prior to the Event’s start date. This prevents Event day Competitor registration (but see subsection f below). US Sailing staff will continually monitor all Competitor registration lists and determine which adult Competitors must complete mandatory SafeSport Training. Prior to the Event, US Sailing will produce a list of adult Competitors who are required to complete SafeSport Training, communicate that requirement to all relevant Competitors, and continually monitor the list to ensure all relevant Competitors have done so. If a Competitor has not completed SafeSport Training prior to registration, he or she will be notified at check in and not allowed to participate at the Event until he or she completes SafeSport Training.
- d. **Verification of SafeSport Training: Event Participants.** US Sailing staff will work with the Event organizers prior to the Event to determine all adult Event Participants who must complete mandatory SafeSport Training. Prior to the Event, US Sailing will produce a list of Event Participants who are required to complete SafeSport Training, communicate that requirement to all relevant Event Participants, and continually monitor the list to ensure all relevant adult Event Participants have done so. If an adult Event Participant who is required to complete mandatory SafeSport Training has not done so prior to registration, he or she will be notified at check in and not allowed to participate at the Event until he or she completes SafeSport Training.

⁶ All adult Competitors who are registered for an Event with a crewmember who is a minor will be asked to self-select whether they have “regular contact” or “authority” – as defined by the Center – over minor athletes. If such competitors do identify as having “regular contact” with or “authority” over minor athletes, that competitor will be required to complete SafeSport Training prior to the beginning of the Event.

- e. **Event Check In.** Prior to the Event and/or during Event check in, US Sailing staff or the Event’s organizers/regatta officials will manually verify that all adult Competitors and adult Event Participants who are required to complete SafeSport Training have done so. If the individual has not done so, they will not be able to participate at the Event in a role where they would have regular contact with or authority over minor athletes.
 - f. **Day of Registration Entrants.** If an Event permits adult Competitors and adult Event Participants to register the day of the Event, US Sailing staff or the Event organizer will not permit an adult Competitor or adult Event Participant to participate until that individual’s SafeSport Training has been verified.
2. Communication of Minor Athlete Abuse Prevention Policies
- a. **Rule:** Prior to the Event, all Competitors and Event Participants must receive a copy of the US Sailing Minor Athlete Abuse Prevention Policies (MAAPP) and protocol for reporting known, suspected, or alleged violations of the MAAPP or SafeSport Code. The communication shall include the following:
 - 1. The required one-on-one Abuse Prevention Policies,

Prevention Policies (“MAAPP”), and emotional, physical, and sexual misconduct as required under Section 2.a herein.

c. Additional Communication Measures

1. Any Event Participants and Competitors who register the day of the Event check in shall be given the information listed under Section II.b.2, either by email message or hard copy documents available at check in. US Sailing will ensure that any adult Event Participants who arrive after check in to serve in a role that includes regular contact with or authority over minor Competitors will first complete SafeSport Training.
2. US Sailing will post throughout the Event venues the following information:
 - i. Mandatory one-on-one abuse prevention policies, and
 - ii. The Protocol for reporting known, suspected, or alleged child abuse or other violations of the MAAPP or SafeSport Code.

 3. Assign one designated regatta official to oversee compliance with this section. After Event registration – but before competition begins – US Sailing will require that the designated official submit to US Sailing a final list of all Event Participants for verification that no Event Participant is listed on the Organization Exclusion List.
- b. **Rule:** Prior to the Event and/or during Event check in, US. Sailing staff or the Event’s organizers/regatta officials will manually verify that no Competitors or Event Participants are on US Sailing’s Jurisdictional Hold List. In the event that US Sailing staff are not on site to verify the Jurisdictional Hold List, US Sailing will take the following steps to ensure full compliance with this section:
 1. If necessary, and as determined by US Sailing on a case by case basis, ensure that the Event Organizer possesses the most up to date Jurisdictional List throughout the Event registration process and at Event check in;

2. Throughout the Event Registration process monitor the Event Participant list;
 3. Assign one designated regatta official to oversee compliance with this section. After Event registration – but before competition begins – US Sailing will require that the designated official submit to US Sailing a final list of all Event Participants for verification that no Event Participant is listed on the Jurisdictional Hold List.
4. Adherence to the MAAPP. US Sailing staff and Event organizers/regatta officials will continually monitor the Event to ensure compliance with the MAAPP, including, if necessary, periodic sweeps of any changing areas or meeting rooms.
